LEARN AND PRACTISE MORE THAN 1,000 ENGLISH PHRASAL VERBS

Authors

Thomas Booth worked for 10 years as an English-language teacher in Poland and Russia. He now lives in England, where he works as an editor and English-language materials writer. He has contributed to a number of books in the *English for Everyone* series.

Ben Ffrancon Davies is a freelance writer and translator. He writes textbooks and study guides on a wide range of subjects including ELT, music, and literature. Ben studied Medieval and Modern Languages at the University of Oxford, and has taught English in France and Spain.

UK language consultant

Peter Dainty studied History at the University of Oxford and has been teaching English as a foreign language since the mid-1980s. He taught at London University for 10 years and has written 14 books for publishers such as Macmillan, Penguin, Scholastic, and Oxford University Press.

US language consultant

Professor Emerita Susan Barduhn has contributed to numerous publications. She has also been President of IATEFL; Director of The Language Center, Nairobi; Deputy Director of International House, London; professor and Chair of the MATESOL program at SIT Graduate Institute. She is currently a freelance educational consultant for the US Department of State, the British Council, TransformELT, The Consultants-e, and Fulbright.

How to use this book

English for Everyone: English Phrasal Verbs will help you learn, understand, and remember the most common phrasal verbs in English. Each of the 56 units in the book consists of a teaching spread on a subject or theme, with illustrated sentences to place the phrasal verbs in context, and then a practice spread with exercises to reinforce what you have learned. Listen to the free audio and repeat each phrasal verb and sentence. The answers to all the exercises are at the back of the book, along with a comprehensive index.

Unit number The book is divided into units. The unit number helps you keep track of your progress.

Sample sentences Phrasal verbs are shown in the context of a sample sentence (see page 8).

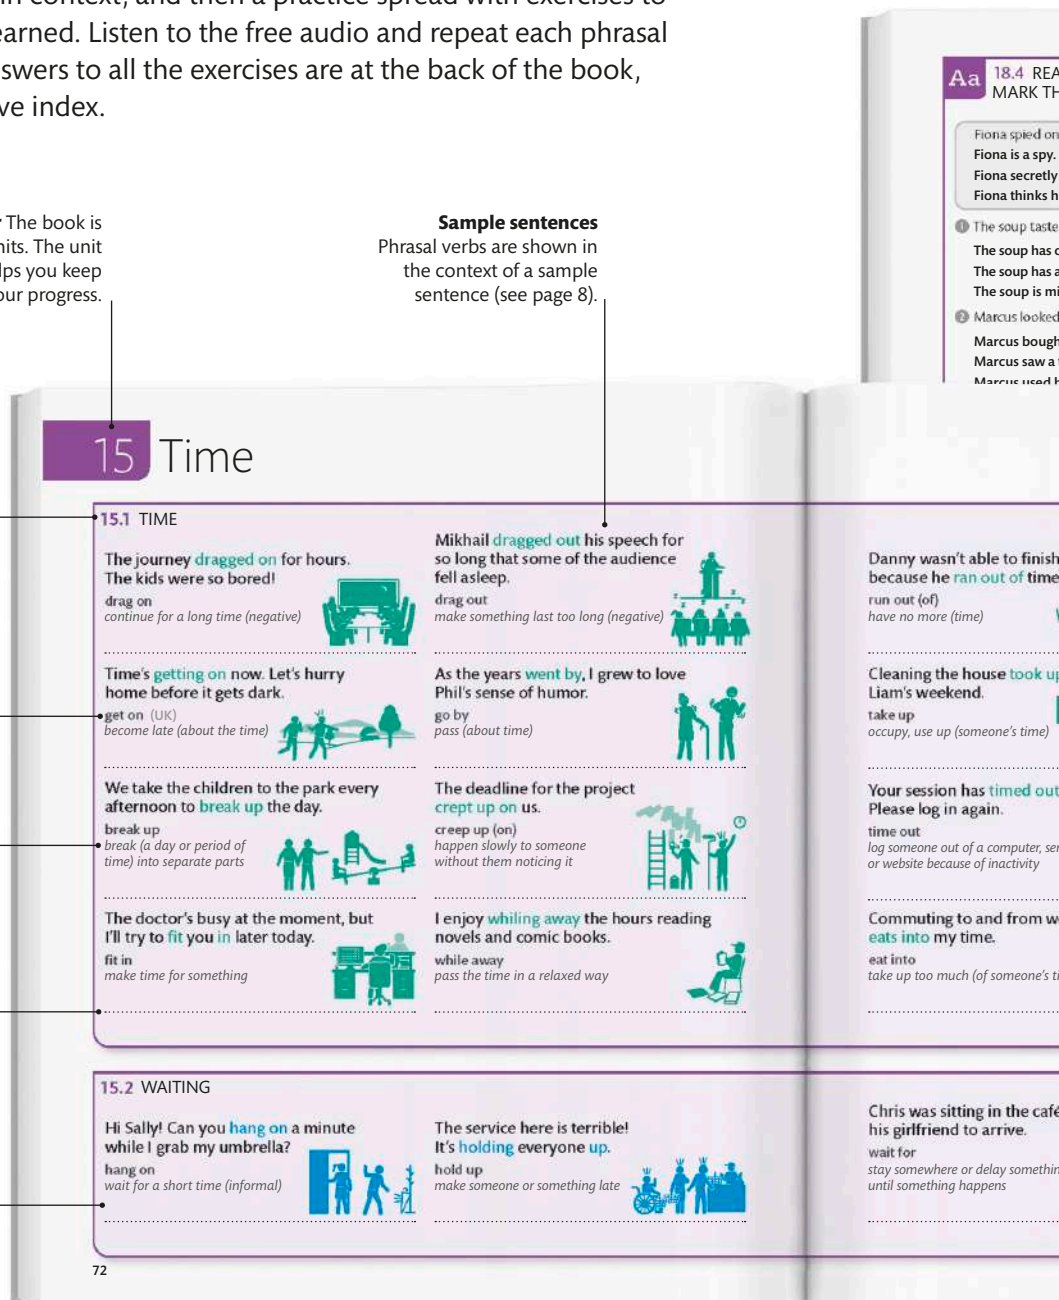

Module number Every module is identified with a unique number, so you can easily locate the related audio.

UK/US phrasal verbs Some phrasal verbs are specific to UK or US English. These are labeled (UK) or (US).

Base forms and definitions Beneath each sentence, the phrasal verb is written in its base form along with a definition.

Write-on lines You are encouraged to write your own translations of English phrasal verbs to create your own reference pages.

Modules Many teaching spreads are broken into modules covering different topics within the theme.

TEACHING SPREAD

Listening exercise This symbol indicates that you should listen to an audio track in order to answer the questions in the exercise.

Exercise number Each exercise is identified with a unique number, so you can easily locate answers.

Sample answer The first question of each exercise is answered for you, to help make the task easy to understand.

Exercise instruction Each exercise is introduced with a brief instruction, telling you what you need to do.

AD THE STATEMENTS AND
E CORRECT MEANING

- her colleagues.
- watched her colleagues.
- er colleagues are spies.
- s of tomato and basil.
- only tomato and basil in it.
- tomato and basil flavor.
- ssing tomato and basil.
- through his telescope.
- at a telescope.
- telescope.
- ic telescope.

18.5 LISTEN TO THE AUDIO AND
MATCH THE IMAGES TO THE
CORRECT PHRASAL VERBS

look at

taste of

listen in on

sniff around

See also:
break up 3, 21, 29, 38 creep up on 51 fit in 15
get on 2, 9 go by 54 run out (of) 30 take up 31, 55

the exam

Hurry up, Oliver! The train's going to leave soon!

hurry up
move or do something more quickly

all of

I can't believe how quickly winter's come around again!

come around
happen again (about a regular event)

ver,

Our professor always draws out our lectures by answering lots of questions at the end.

draw out
make something last longer than necessary

ork really

Quitting my job at the café has freed up more time for my studies.

free up
make more time available

e waiting for

When the train was canceled, the passengers had to wait around for the next one.

wait around (for)
do nothing until something happens

Aa 18.7 MATCH THE DEFINITIONS TO THE CORRECT PHRASAL VERBS

raise yourself to see past an obstacle

hear out

secretly listen to someone

listen up

cause somewhere to smell unpleasant

look over

pay attention to notice something

stink out

receive information about something

look out for

pay attention

look on

listen to someone without interrupting

hear about

watch something without taking part

listen in (on)

Aa 18.8 FILL IN THE GAPS USING THE PHRASAL VERBS IN THE PANEL

The scary scene in the movie made everyone look away.

1 Alex's cookies _____ cinnamon. I asked to try one.

2 Have you _____ the new gym in town? It's supposed to be great.

3 Dayita _____ the radio while she ate her breakfast.

4 Fiona _____ her colleagues to steal their ideas.

5 Sarah and Dionne _____ the well. There was no sign of the bottom.

smelled of

spied on

look away

looked into

listened to

heard about

87

PRACTICE SPREAD

Space for writing You are encouraged to write your answers in the book for future reference.

Supporting graphics Illustrations help you understand and remember new phrasal verbs.

Audio support All teaching modules are supported by audio recordings to help you recognize and pronounce spoken vocabulary.

73

Sample sentences

Each phrasal verb is shown within a sample sentence that contextualizes its meaning. Its base form and definition are also given.

Phrasal verb The phrasal verb is highlighted in each sentence.

Illustration Each sentence is illustrated to show the meaning of the phrasal verb.

Angela **meets up with** her colleagues once a week to discuss all their new ideas.

Base form The phrasal verb is given in the base form.

Definition A definition is given to help you understand the meaning.

meet up (with)
get together with

Third particle Sometimes a phrasal verb's third particle is optional (see page 12), so it is written in parentheses.

“See also” boxes

Many phrasal verbs have more than one meaning. Each unit has a “see also” box which directs you to other units where the same phrasal verbs appear with different meanings.

Unit number This number tells you which other unit the phrasal verb appears in.

See also:

back up **12** climb down **19** fall out **49**
make up **41, 52** take back **10, 16, 55**

DING CONFLICT

leagues always make fun
s, but he just **laughs it off**.

icism or a difficult
ubing at it

Introducing phrasal verbs

Pages 10–17 contain an introductory grammar section explaining what phrasal verbs are and how they work grammatically. It also covers different types of phrasal verbs, as well as phrasal nouns and adjectives.

Modular learning The grammar section is broken down into modules.

Audio

English for Everyone: English Phrasal Verbs offers extensive supporting audio resources. Every phrasal verb and sentence in the teaching spreads is recorded, and you are encouraged to listen to the audio and repeat the phrases and sentences out loud, until you are confident you understand and can pronounce what has been said.

SUPPORTING AUDIO

This symbol indicates that audio recordings of the phrasal verbs and sentences in a module are available for you to listen to.

LISTENING EXERCISES

This symbol indicates that you should listen to an audio track in order to answer the questions in the exercise.

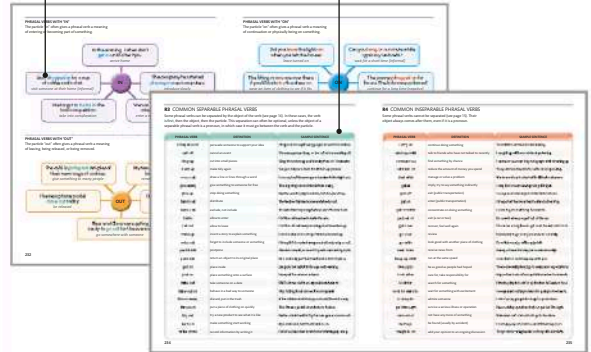

FREE AUDIO

www.dkefe.com

Reference section

At the end of the book, pages 230–237 contain a reference section, which features additional information about phrasal verbs, including examples of some common phrasal nouns and phrasal adjectives.

Visual diagrams are used to present common particles.

Reference tables contain lists of common phrasal verbs, nouns, and adjectives.

Answers

The book is designed to make it easy to monitor your progress. Answers are provided for every exercise, so you can see how well you have understood and remembered the phrasal verbs you have learned.

Answers Find the answers to every exercise printed at the back of the book.

Exercise numbers These numbers match the number at the top-left corner of each exercise.

25

25.3

- 1 The number of people online shot up last year.
- 2 The coach divided the team into two equal teams.
- 3 Shreya counted up the money she was wanting coffee and we had to wait for it.
- 4 When Georgia was asked to give a presentation, she added on a 20% tip.

25.4

A 3 B 1 C 6 D 2

25.5

- 1 Katie's bills have been piling up, so she's had to pay a lot of debt now.
- 2 The company's share price has fallen, but it's finally starting to recover.
- 3 The temperature was expected to rise, but it averages out at a much lower level.
- 4 We estimated the cost of the project to be £14,900, but rounded up to the nearest thousand.

Index

The index contains every phrasal verb from the teaching spreads, as well as the phrasal nouns and adjectives from the reference section, listed in alphabetical order, followed by each unit and module number where they appear.

M

made-up R6
major in (US) 20.1

mess up 49.1
mill around 5.1

Module number

The number in the index matches the module number on the teaching page.

Multiple units

When a phrasal verb appears more than once, each module number is listed.

Introducing phrasal verbs

Some verbs in English are made up of two or more words. These are called phrasal verbs. They are very common in English and help to make your language sound more idiomatic and fluent.

WHAT IS A PHRASAL VERB?

Phrasal verbs consist of a verb plus one or more particles (prepositions or adverbs). The particle often changes the usual meaning of the verb.

THREE-WORD PHRASAL VERBS

Three-word phrasal verbs consist of a verb, a particle, and a preposition. The particle and preposition often change the usual meaning of the verb.

FURTHER EXAMPLES

She **chills out** in the evening.

He **doesn't go out** when he's tired.

Tim and Jo **got back together**.

We can **check into** the hotel now.

Do you always **turn up** late?

Did the CEO **sign off on** this?

Questions are formed in the usual way.

HOW PHRASAL VERBS WORK

The particle always comes after the verb. The verb changes form to match the subject as usual. The particle never changes form.

Here, the verb takes the third person "-s."

He **gets up**. ✓

He **get ups**. ✗

This is wrong. The particle should never change.

He **up gets**. ✗

This is wrong. The particle should come after the verb.

PHRASAL VERBS IN DIFFERENT TENSES

When phrasal verbs are used in different tenses, the verb changes like any other verb, but the particle remains the same.

The particle never changes.

PRESENT SIMPLE

We **go out** once a week.

PAST SIMPLE

We **went out** last night.

PRESENT CONTINUOUS

We **are going out** this evening.

FUTURE WITH "WILL"

We **will go out** again next week.

FURTHER EXAMPLES

Apple pie and ice cream **go together** perfectly.

Chad is **applying for** jobs in the media.

Troy **freaked out** when he saw the spider.

After a break, Ramone will **get on with** cleaning the bathroom.

TRANSITIVE AND INTRANSITIVE PHRASAL VERBS

Some phrasal verbs take an object, which is a noun that receives the action of the verb. Verbs which take an object are known as **transitive verbs**.

Some phrasal verbs do not take an object. These verbs are known as **intransitive verbs**.

Some phrasal verbs can be either **transitive** or **intransitive**.

MAKING INTRANSITIVE PHRASAL VERBS TRANSITIVE

Some intransitive phrasal verbs need a preposition when they are made transitive.

At the end of their stay, Julia and John **checked out**.

At the end of their stay, Julia and John **checked out of** their hotel.

To use "check out" with an object, you need to add "of."

FURTHER EXAMPLES

Julian usually **heads off** early to avoid the traffic.

Julian usually **heads off to** work early to avoid the traffic.

Ben and Gus finally **made up** after their argument.

Ben **made up with** Gus after their argument.

DIFFERENT MEANINGS

Many phrasal verbs have more than one meaning. Some phrasal verbs appear in this book more than once with a different meaning each time.

UNRELATED MEANINGS

The phrasal verb “do up” has two unrelated meanings.

Mirek **did up** his coat to keep out the icy breeze.

fasten a piece of clothing

Emily is **doing up** her house at the moment.

improve, renovate

LITERAL AND METAPHORICAL MEANINGS

Certain phrasal verbs have a basic literal meaning, and a more complicated metaphorical one.

This sentence uses the literal meaning of “break up.” The chocolate is being separated into smaller pieces.

Patrick **broke up** the chocolate before adding it to the cake mixture.

separate something into smaller pieces

In this sentence, nothing has literally broken, but Maria and Pablo have metaphorically separated from each other.

After a huge argument, Maria and Pablo decided to **break up**.

end a romantic relationship

REGISTER

Although some phrasal verbs can be used in formal situations, others are more informal. Many phrasal verbs have a single-word equivalent which is more formal.

This sentence uses the high-register word “persevere,” which is only usually used in formal language.

Despite the storm, the engineers **persevered** and installed the new phone line.

This sentence means exactly the same thing, but “soldier on” makes the sentence less formal.

Despite the storm, the engineers **soldiered on** and installed the new phone line.

SEPARABLE PHRASAL VERBS

If a phrasal verb has an object, the object can sometimes go between the verb and the particle. This does not change the meaning. Phrasal verbs that do this are called “separable” phrasal verbs. See page 234 for more examples.

He is **picking up** litter.

The object can go after the particle.

He is **picking** litter **up**.

The object can also go between the verb and the particle.

He is **picking it up**.

If the object of a separable phrasal verb is a pronoun, it must go between the verb and particle.

FURTHER EXAMPLES

I **turned on** the light.

I **turned** the light **on**.

Can you **pick up** that box?

Can you **pick** that box **up**?

You should **throw away** those old shoes.

You should **throw** those old shoes **away**.

I was annoyed because he **woke up** the baby.

I was annoyed because he **woke** her **up**.

I always **fill up** the water jug when it's empty.

I always **fill it up** when it's empty.

! COMMON MISTAKES SEPARABLE PHRASAL VERBS

If the direct object of a separable phrasal verb is a pronoun, it must go between the verb and the particle.

Pronoun

He **picked it up**. ✓

The pronoun cannot go at the end of the sentence.

He **picked up it**. ✗

INSEPARABLE PHRASAL VERBS

Some phrasal verbs cannot be separated. The object must always come after the particle—it can never sit between the verb and the particle. This is true whether the object is a noun or a pronoun. See page 235 for more examples.

We had to run to **get on** the train. ✓

The verb and the particle must stay together.

We had to run to **get on** it. ✓

The verb and particle stay together even if the direct object is a pronoun.

We had to run to **get the train on**. ✗

This is wrong. The object cannot sit between the verb and the particle.

FURTHER EXAMPLES

I've **come across** a new recipe.

He **sleeps in** most Saturdays.

I need to **go over** my notes.

I **ran into** her at the supermarket.

Susan really **takes after** her father, they're very similar.

Drop by the house any time you like.

SEPARABLE AND INSEPARABLE PHRASAL VERBS

Some phrasal verbs, like "get back from," can be separable or inseparable depending on the context.

When "get back from" means "retrieve from" it is separable. The object must go between "get" and "back."

I finally **got my lawnmower back from** Dave.

When "get back from" means "return from," it is always inseparable.

I **got back from** Italy yesterday.

PHRASAL NOUNS

Some nouns are formed from phrasal verbs, often by joining the verb and the particle together.

See page 236 for a list of common phrasal nouns.

The teacher asked me to **hand out** the exam papers.

Verb → Particle

The teacher gave us a **handout** for the lesson.

Phrasal noun

Sometimes, the noun is formed by putting the particle in front of the verb.

Oh no! It was sunny and now it's **pouring down**.

We have a rainy season with daily **downpours**.

FURTHER EXAMPLES

The company is trying to **cut back** on staff expenses.

Not another **cutback**! The company must be in serious trouble.

It's a shame that he wants to **drop out** of school.

We've had a surprisingly high percentage of **dropouts** in the class.

We want to **get away** and go somewhere sunny this winter.

A trip to Australia sounds like a fabulous **getaway**.

PHRASAL ADJECTIVES

Some adjectives are formed from phrasal verbs, often by joining the verb and the particle together, sometimes with a hyphen.

See page 237 for a list of common phrasal adjectives.

Verb → Particle

Zane asked James to **tone down** his language.

Zane asked James to use more **toned-down** language.

→ Phrasal adjective

Sometimes, the adjective is formed by putting the particle in front of the verb.

Anetta is always **speaking out** about environmental issues.

Anetta is very **outspoken** about environmental issues.

FURTHER EXAMPLES

For this yoga position, you have to **stretch** your arms **out**.

Simon got into position with his arms **outstretched**.

Ed **watered down** his opinion when writing his review.

Ed wrote a **watered-down** version of his real opinion for the review.

Kemal **knocked down** the price of jewelry by 15%.

Kemal sold some of his jewelry at a **knockdown** price.

1.1 PEOPLE

Hundreds of people **packed into** the town hall to watch the debate.

pack into

fit into a place in large numbers

I found it really hard to **fit in with** the art class. They're all much younger than me.

fit in (with)

feel like you belong in a group

Some of the older children have been **ganging up on** me and calling me names.

gang up (on)

form a group to hurt someone

Sheila's neighbors **look down on** her because her house is smaller than theirs.

look down on

think you are better than another person

I got my son a puppy for his birthday. After asking me for months, he finally **wore me down!**

wear down

convince someone to do what you want (often by asking many times)

I bumped into Sandra at the park. She was **asking after** you.

ask after

ask for news about someone

Thousands of fans **flooded into** the stadium to watch the singer perform.

flood in(to)

enter a space in large numbers

After the concert, everyone **spilled out of** the stadium and made their way to the train station.

spill out (of)

leave a space in large numbers

See also:

come across **39, 52** fit in **15** get back (from) **35**

turn to **27** turn up **4, 27**

My sister **watched over** our son while Ania and I went shopping.

watch over

make sure nothing bad happens to someone or something

Adi has got a temper. He **turned on** me the instant I suggested he buy a new suit.

turn on

attack someone without warning

Toshiro's been **buttering** his brother **up** because he wants to borrow his car.

butter up

praise or flatter someone so that they will do you a favor

Jordan's aunts always **fuss over** him when they come to visit.

fuss over

pay a lot of attention to someone

Barney really **looks up to** his grandfather. He loves listening to his stories.

look up to

admire someone

1.2 THINGS

Nuwa **gathered up** the plates from the table and took them to the kitchen.

gather up

collect things together

It was really hard to **part with** my old car. I'd had it since I was a student.

part with

relinquish something important to you

While looking through things in my attic, I **came across** an old portrait of my great-grandfather.

come across

find something by chance

Mel lent Dave her lawnmower a month ago, and she finally **got it back from** him.

get back (from)

retrieve something

Ava lost her passport ages ago. It **turned up** when she was cleaning the living room.

turn up

be found (usually by accident)

Aa 1.3 READ THE STATEMENTS AND MARK THE CORRECT MEANING

Barney really looks up to his grandfather.

He loves his grandfather.

He admires his grandfather.

He hates his grandfather.

① After the concert, everyone spilled out of the stadium.

People entered the stadium together.

People ran around the stadium together.

People left the stadium in large numbers.

② Toshiro's been buttering his brother up.

He has been flattering him for a favor.

He has been yelling at him.

He has been arguing with him.

③ Sheila's arrogant neighbors look down on her.

They think they are better than her.

They think she is better than them.

They think she is wonderful.

④ I came across an old portrait of my great-grandfather.

I threw away the portrait.

I found the portrait by chance.

I looked for the portrait.

Aa 1.4 MATCH THE PICTURES TO THE CORRECT SENTENCES

I found it hard to fit in with the art class.

① It was hard to part with my old car.

② Sandra was asking after you at the park.

③ Jordan's aunts fuss over him when they visit.

④ Nuwa gathered up the plates from the table.

Aa 1.5 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

Hundreds of people packed ~~into~~ / ~~over~~ / ~~through~~ the town hall to watch the debate.

① Some of the older children have been ~~mobbing~~ / ~~ganging~~ / ~~teaming~~ up on me and calling me names.

② Ava lost her passport ages ago. It turned ~~out~~ / ~~on~~ / ~~up~~ when she was cleaning the living room.

③ Adi has got a temper. He ~~pivoted~~ / ~~turned~~ / ~~rotated~~ on me the instant I suggested he buy a new suit.

④ Mel lent Dave her lawnmower a month ago, and she finally got it ~~back~~ / ~~forward~~ / ~~down~~ from him.

Aa

1.6 WRITE THE CORRECT PHRASAL VERB NEXT TO ITS DEFINITION

retrieve something

=

get back (from)

① be found (usually by accident)

=

② make sure nothing bad happens to someone

=

③ attack someone without warning

=

④ convince someone to do what you want

=

⑤ fit into a place in large numbers

=

watch over

turn up

wear down

pack into

~~get back (from)~~

turn on

1.7 LISTEN TO THE AUDIO AND COMPLETE THE SENTENCES BELOW THE IMAGES

Thousands of fans flooded into the stadium.

③ I got my son a puppy. After asking me for months, he finally _____ me _____ !

① Some of the older children have been _____ on me and calling me names.

④ Hundreds of people _____ the town hall to watch the debate.

② Mel lent Dave her lawnmower a month ago, and she finally _____ it _____ from him.

⑤ Barney really _____ his grandfather. He loves listening to his stories.

02 Family

2.1 FAMILY

Dan and Sheila have **brought up** their children to be kind to animals.

bring up
teach children how to behave

Liam **gets on** very well **with** his elder sister. They're always laughing together.

get on (with)
have a good relationship with someone

Colin **lives with** his son in a house at the edge of town.

live with
share the same house

Sam wants to be a pilot when he **grows up**.

grow up
develop from child to adult

Jenny's **grown out of** her old toys. She prefers playing video games now.

grow out of
lose interest in something as you get older

Albert's parents **named him after** his great-grandfather.

name after
give someone the same name as someone else

2.2 PETS

Lisa **puts** her rabbit **in** its cage each evening before bed.

put in
place inside

Fiona's cat doesn't like strangers, but he's **warming to** Dan.

warm to
become fond of

I **let** the cat **out** every morning after I've woken up.

let out
allow to leave

I **let** the cat **in** when it started to rain.

let in
allow to enter

See also:

get on **9, 15** grow out of **6** let out **6**
live with **47** settle down **45**

After traveling for a few years, Bill **settled down** and bought a house next door to his parents.

settle down
live in one place

My family **pulled together** when my father was unwell.

pull together
work as a group to deal with a difficult situation

My mother **looks after** my children while I'm at work.

look after
care for, take responsibility for

Will and Joe are identical twins. It's almost impossible to **tell** them **apart**.

tell apart
recognize the difference

Jasmine **takes after** her mother. They're very similar people.

take after
have the characteristics of a parent or relative

Whenever his children stay out late, Carlo **waits up** until they get home.

wait up
wait for someone to get home before going to bed

Olly's dog **ran away** last week while they were at the park.

run away
escape

After a few days, Olly's dog **came back** all by herself.

come back
return

Aa

2.3 MATCH THE PICTURES TO THE CORRECT SENTENCES

Olly's dog ran away last week while they were at the park.

My family pulled together when my father was unwell.

My mother looks after my children while I'm at work.

I let the cat in when it started to rain.

Aa

2.4 MARK THE SENTENCES THAT ARE CORRECT

My mother looks after my children while I'm at work.

My mother looks over my children while I'm at work.

① After a few days, Olly's dog came back all by herself.

After a few days, Olly's dog came under all by herself.

② Jasmine takes over her mother. They're very similar people.

Jasmine takes after her mother. They're very similar people.

③ I let the cat around every morning after I've woken up.

I let the cat out every morning after I've woken up.

④ Albert's parents named him after his great-grandfather.

Albert's parents named him behind his great-grandfather.

⑤ After traveling for a few years, Bill settled up and bought a house.

After traveling for a few years, Bill settled down and bought a house.

⑥ Colin lives on his son in a house at the edge of town.

Colin lives with his son in a house at the edge of town.

Aa

2.5 FILL IN THE GAPS USING THE WORDS IN THE PANEL

Olly's dog ran away last week while they were at the park.

- 1 Lisa puts her rabbit _____ its cage each evening before bed.
- 2 Will and Joe are identical twins. It's almost impossible to tell them _____.

Kamal **dropped me off** at the train station on his way to work.

drop off
take a person somewhere in a car and leave them there

Sally **picked her friends up** outside the movie theater at 9pm.

pick up
go to collect someone (usually in a car)

You should always **slow down** when you drive past a school.

slow down
go more slowly

The train left the station slowly, before **speeding up** as it headed to the coast.

speed up
go more quickly

The helicopter **took off** from the top of the skyscraper.

take off
begin to fly

The plane **touched down** in Dubai at 9pm in the evening.

touch down
land

We **pulled in** at a small roadside café, where we could have some breakfast.

pull in(to)
stop and park somewhere

I **pulled up** by the train station to let my daughter out.

pull up
stop driving (often for a short time)

Marion didn't notice the motorcycle as she **pulled out of** the junction.

pull out (of)
move from one road to another

I got lost driving to your house. I had to **pull over** and ask for directions.

pull over
drive to the side of the road and stop

Aa

9.3 MATCH THE PICTURES TO THE CORRECT SENTENCES

The helicopter took off from the top of the skyscraper.

1

George checked the road for other vehicles before driving off.

2

Gina got off the bus when it arrived at her stop.

3

I got lost driving to your house. I had to pull over and ask for directions.

4

The train left the station slowly, before speeding up as it headed to the coast.

5

Tanya turned off the main road and drove along the track to the beach.

Aa

9.4 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

Gina got ~~up~~ / ~~off~~ / ~~through~~ the bus when it arrived at her stop.

- 1 Jen turned ~~down~~ / ~~back~~ / ~~up~~ when she realized that she had forgotten her phone.
- 2 I pulled ~~up~~ / ~~down~~ / ~~out~~ by the train station to let my daughter out.
- 3 Sally picked her friends ~~on~~ / ~~in~~ / ~~up~~ outside the movie theater at 9pm.
- 4 When you reach the castle, turn ~~over~~ / ~~onto~~ / ~~with~~ the highway and head west.
- 5 Jamie dropped me ~~off~~ / ~~on~~ / ~~in~~ at the train station on his way to work.
- 6 Angelo left his house and got ~~into~~ / ~~over~~ / ~~up~~ the taxi.
- 7 Marion didn't notice the motorcycle as she pulled ~~over on~~ / ~~out of~~ / ~~up to~~ the junction.

9.5 LISTEN TO THE AUDIO AND COMPLETE THE SENTENCES THAT DESCRIBE EACH PICTURE

The train left the station slowly, before speeding up as it headed to the coast.

3 The plane _____ in Dubai at 9pm in the evening.

1 As the movie star _____ the limousine, photographers surrounded him.

4 You should always _____ when you drive past a school.

2 We _____ at a small roadside café, where we could have some breakfast.

5 Clive tried to restart the motorboat's engine after it _____ without any warning.

Aa

9.6 WRITE THE CORRECT PHRASAL VERB NEXT TO ITS DEFINITION, FILLING IN THE MISSING LETTERS

begin to fly = t a k e o f f

1 enter (public transportation) = g _ _ _ o _ _

2 go more slowly = s _ _ _ _ d _ _ _

3 stop working = b _ _ _ _ d _ _ _

4 drive away, leave = d _ _ _ _ o _ _

5 join a road from a different one = t _ _ _ _ o _ _

10 Shopping

10.1 SHOPPING

Once Ellie had found a scarf that she liked, she went to **check out**.

check out (US)
pay

Ellie used her credit card to **pay for** the scarf.

pay for
give money for something you are buying

Peter **bought up** all the pizzas in the store before his party.

buy up
buy the entire supply of something

Aziz had been **looking around** the store for ages, but couldn't find a shirt he liked.

look around
visit a place and see what is there

Joshua **crossed off** each item on the shopping list as he found it.

cross off
put a line through a word in a list

Luis put the melon in his basket and **checked it off** his shopping list.

check off (US)
put a check mark next to a word in a list

Kemal **knocked down** the price of jewelry by 15% to attract shoppers to his new store.

knock down
reduce prices

I bought my new laptop online, and went to **pick it up** at my local store the following day.

pick up
collect an item that you bought online

My favorite author has just **brought out** a new novel.

bring out
put a new product on sale

Fans are **lining up** outside the bookstore to buy it.

line up
wait in a line for something

See also:

check out 35, 50 pick up 9, 11, 28, 31, 38

take back 16, 44, 55

Ethan's going camping this weekend, so he's **stocking up on** insect repellent.

stock up (on)

buy a lot of something in case you need it

The mugs I bought online are broken. I'm going to **send them back**.

send back

return an item to the seller by mail

Before buying a new car, it's worth **shopping around**. You might find a bargain.

shop around

visit several stores (or websites) to compare their products and prices

Aisha decided to **splash out on** clothes for her summer vacation.

splash out (on)

spend a lot of money without thinking too much about it

I went to the market to buy some bread, but they had **sold out**.

sell out (of)

sell all the available items

Marta couldn't wait to **try out** her new games console.

try out

try a new product to see what it is like

Carla didn't like the sweater she'd bought, so she decided to **take it back**.

take back

return a product to the store where you bought it

Shoppers had already **snapped up** all the bargains at the sale by the time I'd arrived.

snap up

buy something quickly, as soon as it becomes available

The fitting rooms are over there if you'd like to **try it on**.

try on

wear an item of clothing to see if it fits

Aa

10.2 MATCH UP THE PAIRS OF SENTENCES THAT MEAN THE SAME THING

My favorite author has just brought out a new novel.

The mugs I bought online are broken. I'm going to return them to the seller by mail.

1 The fitting rooms are over there if you'd like to try it on.

My favorite author has just put a new novel on sale.

2 The mugs I bought online are broken. I'm going to send them back.

I went to the market to buy some bread, but all the bread had been sold.

3 I bought my new laptop online, and went to pick it up at my local store.

The fitting rooms are over there if you'd like to wear the clothes to see if they fit.

4 Before buying a new car, it's worth shopping around to find a bargain.

I bought my new laptop online, and went to collect it from my local store.

5 I went to the market to buy some bread, but they had sold out.

Before buying a new car, it's worth visiting several stores to compare prices.

11 The weather

11.1 THE WEATHER

As dark storm clouds **rolled in** from the east, Arthur tried to get home before the rain started.

roll in
*(about bad weather)
approach, come nearer*

It looks like the weather's **clearing up**. We'll be able to start the game again soon.

clear up
*(about weather) improve,
become less cloudy*

The weather's been awful, but it's finally starting to **brighten up**.

brighten up
become sunnier, less cloudy

Chris and Mel had to leave the beach when it started **bucketing down**.

bucket down
rain very heavily (informal)

Once the storm had **calmed down**, Grace checked her house for damage.

calm down
become less stormy or windy

Minutes after Ben had lit the grill, the sky **clouded over**. He hoped it wouldn't rain.

cloud over
become more cloudy

Don't go outside yet, Pamela. It's **pouring down**!

pour down
rain heavily

Oh, thanks Martin. I'll wait until it **eases off** a bit.

ease off
become less strong or intense

See also:

brighten up 45 calm down 45 clear up 32, 50
cool down 11 pick up 9, 10, 28, 31, 38 warm up 33

The wind's **picking up**. It's perfect weather for flying a kite.

pick up
increase, become stronger

As soon as the storm had **blown over**, the hikers left the cave and continued walking.

blow over
(about a storm) move away

Alice likes to sit on the balcony when the weather **cools down** in the evening.

cool down
become cooler

After days of bad weather, the rain finally started to **let up**.

let up
become less severe

People go ice-skating when the lake **freezes over** in the winter.

freeze over
completely freeze

Ella stood in a bus shelter waiting for the wind to **die down**.

die down
(about a storm or wind) become calmer

Today **started off** nicely, so we ate our breakfast on the terrace.

start off
begin

By the end of May, the weather starts to **warm up** and the tourists start to arrive.

warm up
become warmer

Aa**11.2 MARK THE SENTENCES THAT ARE CORRECT**

Don't go outside yet, Pamela. It's pouring down!

Don't go outside yet, Pamela. It's pouring up!

- 1 Today started off nicely, so we ate our breakfast on the terrace.
Today started on nicely, so we ate our breakfast on the terrace.

- 2 After days of bad weather, the rain finally started to let down.
After days of bad weather, the rain finally started to let up.

- 3 Chris and Mel had to leave the beach when it started bucketing under.
Chris and Mel had to leave the beach when it started bucketing down.

- 4 The weather's been awful, but it's finally starting to brighten up.
The weather's been awful, but it's finally starting to brighten off.

**Aa****11.3 MATCH THE PICTURES TO THE CORRECT SENTENCES**

The wind's picking up. It's perfect weather for flying a kite.

1

Ella stood in a bus shelter waiting for the wind to die down.

13 Crime, the law, and politics

13.1 CRIME AND THE LAW

Gustav **broke out of** prison by digging a hole under the main wall.

break out (of)
escape from a prison

Someone **broke into** my house and stole all my jewelry.

break in(to)
enter a building to steal something

Phil had to go to the hospital after somebody **beat him up**.

beat up
injure someone by hitting them repeatedly

The police ordered the criminal to **hand over** the stolen money.

hand over
return something to its owner

The police are **cracking down on** illegal parking in the city.

crack down (on)
become stricter about existing rules

Janice is leading a campaign to **stamp out** littering in the park.

stamp out
make something bad or unpleasant stop happening

The police **cordoned off** the area where the crime had taken place.

cordon off
use a barrier to stop people from entering an area

Dan **tipped off** the police about the location of the stolen artworks.

tip off
give someone information anonymously

After robbing the store, the thieves **got away** in a stolen car.

get away
escape

The police could **tell from** the tire tracks that the thieves had escaped by car.

tell from
draw a conclusion from evidence

See also:
get away 35 pull over 9
turn to 21, 45, 50

The local government has **brought in** a new law banning cars from entering the city center.

bring in
introduce a new law

Watch out for pickpockets when you're on the train!

watch out for
be aware of potential danger

While I was driving home, the traffic police **pulled me over** for speeding.

pull over
make a driver stop for doing something illegal

The detectives **tracked down** the thief using fingerprints on the door handle.

track down
work to find something or someone

My brother **turned to** crime after he lost his job.

turn to
start doing something different

13.2 POLITICS

Activists are **calling on** the government to protect the country's forests.

call on
ask someone publicly to do something

Senators **voted on** the new law after a long debate.

vote on
make a decision about a law using a vote

The protestors are **calling for** better public transportation in the town.

call for
ask publicly for something to happen

One of my old school friends is **running for** mayor.

run for
be a candidate for a political position

I'm definitely going to **vote for** her.

vote for
support something or someone by using a vote

Aa

13.3 MATCH UP THE PAIRS OF SENTENCES THAT MEAN THE SAME THING

Someone broke into my house and stole all my jewelry.

The police stopped people from entering the area where the crime had taken place.

1 One of my old school friends is running for mayor.

Someone entered my house without permission and stole all my jewelry.

2 The police cordoned off the area where the crime had taken place.

The police are becoming stricter on illegal parking in the city.

3 After robbing the store, the thieves got away in a stolen car.

Be aware of pickpockets when you're on the train!

4 Watch out for pickpockets when you're on the train!

14 Money

14.1 MONEY

Dan has owed me £200 for six months, but he's finally **paid up**.

pay up
return (usually unwillingly) all the money you have borrowed

I've decided to **cut back on** spending by bringing my own lunch to work.

cut back (on)
reduce the amount of money you spend

I **came into** a lot of money when my grandfather died.

come into
receive suddenly; inherit

Sara has finally **coughed up** the money I lent her last year.

cough up
give money you owe (reluctantly)

I lent Jenny \$20 yesterday and she **paid me back** today.

pay back
return the money you have borrowed

Tommy had to **fork out** more than \$600 to get his car repaired.

fork out (for)
spend a lot of money on something

Nura asked Craig's friends to **chip in** \$5 each toward his birthday present.

chip in
each contribute money

More than a million dollars was **wiped off** the price of our company this morning.

wipe off
reduce in value

Gary **lives off** the money that he inherited from his aunt. He does not need to work.

live off
get enough money from somewhere to pay for all the things you need

I try to **live on** half my paycheck every month so I can save the rest.

live on
have a limited amount of money to buy the things you need

See also:

add up 25, 41 come to 24 cut back 28 pay off 26
run into 26 take out 3, 21, 28 wipe off 21

The cost of the new stadium has already **run into** the millions.

run into
allow a debt or bill to increase to a certain amount

Tara and Ali are **saving up** for a new house. They try to save \$300 each month.

save up
save money (for something in particular)

Try to pay your bills as soon as they arrive. They can soon **add up**.

add up
accumulate, build up

Patrick went to the bank to **pay in** some cash.

pay in(to)
put money in a bank

Pete went to the ATM to **take out** some cash.

take out
withdraw money from a bank

Nick doesn't earn much money, but it's enough to **get by**.

get by
have just enough money to survive

The food was excellent, but we were shocked when the bill **came to** more than \$200.

come to
reach a certain amount

Wayne paid for everyone's lunches yesterday, so we **settled up** with him today.

settle up (with)
pay someone what you owe them

Colin has **run up** some huge debts renovating his house.

run up
allow a debt or bill to increase

He doesn't know how he's going to **pay them off**.

pay off
finish giving back the money you have borrowed

Aa 14.2 READ THE STATEMENTS AND MARK THE CORRECT MEANING

I lent Jenny \$20 yesterday and she paid me back today.

- Jenny threw away \$20.
- Jenny returned \$20 to me.
- Jenny stole \$20 from me.

1 More than a million dollars was wiped off the price of our company this morning.

- The company reduced in value.
- The company rose in value.
- The company shut down.

2 Tommy had to fork out more than \$600 to get his car repaired.

- Tommy had to spend a lot of money.
- Tommy had to save a lot of money.
- Tommy had to borrow money.

3 I came into a lot of money when my grandfather died.

- I lost a lot of money.
- I inherited a lot of money.
- I gave away a lot of money.

4 Patrick went to the bank to pay in some cash.

- Patrick took money from a bank.
- Patrick put money into a bank.
- Patrick robbed a bank.

5 Wayne paid for everyone's lunches yesterday, so we settled up with him today.

- We took money from Wayne.
- We shared money with Wayne.
- We paid Wayne what we owed him.

Aa 14.3 WRITE THE PHRASAL VERBS FROM THE PANEL UNDER THE CORRECT DEFINITIONS

have just enough money to survive

get by

1 return all the money you have borrowed (usually unwillingly)

2 reduce in value

3 allow a debt or bill to increase

4 each contribute money

5 have a limited amount of money to buy the things you need

6 save money (for something in particular)

pay up ~~get by~~ live on run up

chip in save up wipe off

14.4 REWRITE THE SENTENCES, CORRECTING THE ERRORS

He doesn't know how he's going to **pay** them **over**.

He doesn't know how he's going to pay them off.

- 1 Sara has finally **coughed on** the money I lent her last year.

- 2 I've decided to **cut down for** spending by bringing my own lunch to work.

- 3 The food was excellent, but we were shocked when the bill **went to** more than \$200.

- 4 The cost of the new stadium has already **run through** the millions.

15 Time

15.1 TIME

The journey **dragged on** for hours.
The kids were so bored!

drag on
continue for a long time (negative)

Time's **getting on** now. Let's hurry home before it gets dark.

get on (UK)
become late (about the time)

We take the children to the park every afternoon to **break up** the day.

break up
break (a day or period of time) into separate parts

The doctor's busy at the moment, but I'll try to **fit you in** later today.

fit in
make time for something

Mikhail **dragged out** his speech for so long that some of the audience fell asleep.

drag out
make something last too long (negative)

As the years **went by**, I grew to love Phil's sense of humor.

go by
pass (about time)

The deadline for the project **crept up on us**.

creep up (on)
happen slowly to someone without them noticing it

I enjoy **whiling away** the hours reading novels and comic books.

while away
pass the time in a relaxed way

15.2 WAITING

Hi Sally! Can you **hang on** a minute while I grab my umbrella?

hang on
wait for a short time (informal)

The service here is terrible! It's **holding everyone up**.

hold up
make someone or something late

See also:

break up **3, 21, 29, 38** creep up on **51** fit in **15**
get on **2, 9** go by **54** run out (of) **30** take up **31, 55**

Danny wasn't able to finish the exam because he **ran out of** time.

run out (of)
have no more (time)

Hurry up, Oliver! The train's going to leave soon!

hurry up
move or do something more quickly

Cleaning the house **took up** all of Liam's weekend.

take up
occupy, use up (someone's time)

I can't believe how quickly winter's **come around** again!

come around
happen again (about a regular event)

Your session has **timed out**. Please log in again.

time out
log someone out of a computer, server, or website because of inactivity

Our professor always **draws out** our lectures by answering lots of questions at the end.

draw out
make something last longer than necessary

Commuting to and from work really **eats into** my time.

eat into
take up too much (of someone's time)

Quitting my job at the café has **freed up** more time for my studies.

free up
make more time available

Chris was sitting in the café **waiting for** his girlfriend to arrive.

wait for
stay somewhere or delay something until something happens

When the train was canceled, the passengers had to **wait around for** the next one.

wait around (for)
do nothing until something happens

Winter's come around again so quickly!

Winter is over.

Winter has started again.

Winter is yet to begin.

1 Hurry up, Oliver! The train's going to leave soon!

Slow down, Oliver.

Stop walking, Oliver.

Move more quickly, Oliver.

2 Quitting my job has freed up time for my studies.

I have more time for my studies.

I have less time for my studies.

I have no time for my studies.

3 As the years went by, I grew to love Phil.

I began to love Phil.

I do not love Phil.

I have always loved Phil.

4 Our professor always draws out our lectures.

He keeps lectures short.

He makes lectures last longer.

He refuses to give lectures.

5 I enjoy whiling away the hours reading.

I read very fast.

I read for very little time.

I like to pass the time by reading.

6 He ran out of time and could not finish the exam.

He was given more time.

He had no more time.

He had some time left.

7 Your session has timed out. Please log in again.

Your session has ended due to inactivity.

Your session is still in progress.

Your session has not begun.

16 Past and future

16.1 FUTURE

The building project has just begun. Months of construction work **lie ahead** before it'll be finished.

lie ahead
be in the future

Elly and George are **looking forward** to going to the beach later.

look forward to
wait for something with excitement

All the streets were decorated in the weeks **leading up** to the festival.

lead up to
happen in the period before an event

Colin is working hard because the deadline for his article is **coming up**.

come up
approach, happen soon

Kira had dreamed of becoming a great actor, but her plans didn't **pan out**.

pan out
develop, become successful

16.2 MEMORY

Being at the beach **stirs up** memories of vacations with my grandmother.

stir up
make someone think about the past

Roland **looks back on** his college days with pleasure.

look back (on)
remember, think about the past

Finding my old toys **brought back** happy memories of my childhood.

bring back
make someone think about the past

16.3 CHANGE AND RESCHEDULING

The house was **turned into** a convenience store in the 1980s.

turn into
become, transform into

We are planning to **turn it back into** a house and live there.

turn back into
return to its original form

great actor, but her plans didn't pan out.

5 The house was turned into

date back to the 19th century.

Aa 16.7 REWRITE THE SENTENCES, CORRECTING THE ERRORS

Many of the buildings in my city **date back on** the 19th century.

Many of the buildings in my city date back to the 19th century.

1 The doctor's off tomorrow, so could we **bring** your appointment **forward on** today?

2 Colin is working hard because the deadline for his article is **coming down**.

3 Roland **looks out on** his college days with pleasure.

4 All the streets were decorated in the weeks **leading over to** the festival.

5 I like to listen to music and **think forward to** my days as a musician in Paris.

6 The building project has just begun. Months of construction work **lie before**.

17 Making plans

17.1 MAKING PLANS

Kwang had been planning to study medicine, but **ended up** studying French.

end up
do something different to what you had originally planned

My dad wanted to buy a motorcycle for ages, but I never expected him to **go through with it**.

go through with
do something you have planned to do (after some thought or discussion)

The negotiating teams stayed up until after midnight **hammering out** a new treaty.

hammer out
reach an agreement after much discussion

We want to get married in summer, but we haven't **pinned down** a location yet.

pin down
decide the details about something

I asked Sabrina if she wanted to go camping, but she **threw out** the idea.

throw out
reject a suggestion or idea

Giovanni forgot about the art project, but he managed to **throw something together**.

throw together
do something without preparation

17.2 CANCELING PLANS

Ed had promised to do a bungee jump with me, but **backed out** at the last minute.

back out
not do something you had agreed to do

Dexter was going to ask Becky out on a date, but he **chickened out**.

chicken out
decide not to do something you had planned to do because you are afraid (informal)

Adi always manages to **wriggle out of** helping with the cleaning.

wriggle out of
avoid doing something you should do (informal)

See also:
end up **35** get out of **31**
throw out **39**

You should **plan ahead** before setting off on a long car journey.

plan ahead
make plans before an event happens

Allow for traffic delays when estimating how long it'll take.

allow for
take something into consideration before making a plan

You need to **think ahead** and save some money for the future.

think ahead
think about the future and plan for it

The two directors had several meetings to **firm up** the details of the new contract.

firm up
make something more definite

We've been meaning to get a new kitchen for years, but we never **get around to** it.

get around to
find the time to do something

Look ahead and picture what you want to be doing in five years' time.

look ahead
think about what might happen in the future

The store **weaseled out of** giving us a refund by claiming we had broken the vase.

weasel out of
avoid doing something you had agreed to do in a sneaky way (informal)

Seb said he'd help me paint the house, but he **went back on** his promise.

go back on
fail to keep a promise or agreement

Cleo didn't want to go out, so she pretended to be sick to **get out of** it.

get out of
avoid doing something you had agreed to do

Aa 17.3 MATCH UP THE PAIRS OF SENTENCES THAT MEAN THE SAME THING

Seb said he'd help me paint the house, but he went back on his promise.

The two directors had several meetings to make the new contract more definite.

1 Allow for traffic delays when estimating how long the journey will take.

Seb said he'd help me paint the house, but he did not keep his promise.

2 We've been meaning to get a new kitchen for years, but we never get around to it.

I asked Sabrina if she wanted to go camping, but she rejected the idea.

3 Giovanni forgot about the art project, but he managed to throw something together.

We've been meaning to get a new kitchen for years, but haven't found the time for it.

4 The two directors had several meetings to firm up the details of the new contract.

Take traffic delays into consideration when estimating how long the journey will take.

5 I asked Sabrina if she wanted to go camping, but she threw out the idea.

The negotiating teams stayed up to discuss and reach an agreement on a new treaty.

6 The negotiating teams stayed up until after midnight hammering out a new treaty.

Giovanni forgot about the art project, but he managed to do it without preparation.

Aa 17.4 FILL IN THE GAPS USING THE PHRASAL VERBS IN THE PANEL

We want to get married, but we haven't pinned down a location yet.

hammering out

1 They stayed up until after midnight _____ a new treaty.

think ahead

2 Cleo pretended to be sick to _____ going out.

~~pinned down~~

3 Dexter was going to ask Becky out, but he _____

get out of

4 You need to _____ and save money for the future.

chickened out

17.5 LOOK AT THE PICTURES AND COMPLETE THE SENTENCES USING PHRASAL VERBS

Kwang had been planning to study medicine, but ended up studying French.

3 _____ and picture what you want to be doing in five years' time.

1 You should _____ before setting off on a long car journey.

4 The store _____ giving us a refund by claiming we had broken the vase.

2 Seb said he'd help me paint the house, but he _____ his promise.

5 Ed had promised to do a bungee jump with me, but _____ at the last minute.

17.6 LISTEN TO THE AUDIO, THEN NUMBER THE SENTENCES IN THE ORDER YOU HEAR THEM

- A My dad wanted to buy a motorcycle for ages, but I never expected him to go through with it.
- B We want to get married in summer, but we haven't pinned down a location yet.
- C I asked Sabrina if she wanted to go camping, but she threw out the idea. 7
- D We've been meaning to get a new kitchen for years, but we never get around to it.
- E Kwang had been planning to study medicine, but ended up studying French.
- F Seb said he'd help me paint the house, but he went back on his promise.
- G Giovanni forgot about the art project, but he managed to throw something together.

18 The senses

18.1 HEARING

Listen up! You're going to fail your exam unless you start working a bit harder.

listen up
pay attention

Dayita **listened to** the radio while she ate her breakfast.

listen to
pay attention to someone talking or something making a sound

Have you **heard about** the new gym in town? It's supposed to be great.

hear about
receive information about something

Andy hid behind the curtain so he could **listen in on** Carmen and Simon's conversation.

listen in (on)
secretly listen to someone

Marion asked her son to **listen out for** the doorbell while she was in the garden.

listen out for
listen attentively to hear a noise you are expecting

Please **hear me out!** I don't want to be a lawyer. I want to be an actor!

hear out
listen to someone without interrupting

18.2 SMELL AND TASTE

Alex's cookies **smelled of** cinnamon. I asked to try one.

smell of
have the smell of something

That journalist's been **sniffing around** again trying to find out what's going on.

sniff around
try to find information

Whatever Pablo has cooked is **stinking the whole house out.**

stink out
cause somewhere to smell unpleasant (informal)

This soup is delicious! It **tastes of** tomato and basil.

taste of
have the flavor of something

18.3 SIGHT

Robert has been **looking for** his glasses all afternoon. He can't find them anywhere.

look for
search for something

The geologist **looked at** each of the rocks. They were unlike anything he'd seen before.

look at
examine something

We all **looked on** in silence as the magician seemed to cut the person in half.

look on
watch something without taking part

While you're in the national park, **look out for** bald eagles near the rivers and lakes.

look out for
pay attention to notice something

The children **looked over** the wall, trying to see where the ball had landed.

look over
raise yourself to see past an obstacle

The scary scene in the movie made everyone **look away**.

look away
turn your eyes away from something

Sarah and Dionne **looked into** the well. There was no sign of the bottom.

look into
look at a hole, room, or hollow object to see what is inside

Marcus **looked through** his telescope to see the moon.

look through
look at one side of something to see what is on the other side

Vineeta's summer house has the perfect location. It **looks out over** a lake.

look out over
have a view of

Fiona **spied on** her colleagues to steal their ideas.

spy on
secretly watch someone

Aa 18.4 READ THE STATEMENTS AND MARK THE CORRECT MEANING

Fiona spied on her colleagues.

- Fiona is a spy.
- Fiona secretly watched her colleagues.
- Fiona thinks her colleagues are spies.

- 1 The soup tastes of tomato and basil.
 - The soup has only tomato and basil in it.
 - The soup has a tomato and basil flavor.
 - The soup is missing tomato and basil.
- 2 Marcus looked through his telescope.
 - Marcus bought a telescope.
 - Marcus saw a telescope.
 - Marcus used his telescope.
- 3 Robert looked for his glasses.
 - Robert wanted his glasses back.
 - Robert searched for his glasses.
 - Robert bought new glasses.
- 4 Please hear me out!
 - Please listen to me!
 - Please come outside!
 - Please leave me alone!

18.5 LISTEN TO THE AUDIO AND MATCH THE IMAGES TO THE CORRECT PHRASAL VERBS

look at

taste of

listen in on

sniff around

look through

listen out for

stink out

watch something without taking part

= l o o k o n

1 try to find information about someone or something

= s _____ a _____

2 examine something

= l _____ a _____

3 have a view of

= l _____ o _____ o _____

4 turn your eyes away from something

= l _____ a _____

Aa

18.7 MATCH THE DEFINITIONS TO THE CORRECT PHRASAL VERBS

raise yourself to see past an obstacle

hear out

1 secretly listen to someone

listen up

2 cause somewhere to smell unpleasant

look over

3 pay attention to notice something

stink out

4 receive information about something

look out for

5 pay attention

look on

6 listen to someone without interrupting

hear about

7 watch something without taking part

listen in (on)

Aa

18.8 FILL IN THE GAPS USING THE PHRASAL VERBS IN THE PANEL

The scary scene in the movie made everyone look away.

1 Alex's cookies _____ cinnamon. I asked to try one.

2 Have you _____ the new gym in town? It's supposed to be great.

3 Dayita _____ the radio while she ate her breakfast.

4 Fiona _____ her colleagues to steal their ideas.

5 Sarah and Dionne _____ the well. There was no sign of the bottom.

smelled of

spied on

~~look away~~

looked into

listened to

heard about

19.1 MOVEMENT AND PROGRESS

Martin was exhausted, and began to **fall behind** the other runners.

fall behind

move more slowly than the people around you

The rain made it hard for the hikers to keep going, but they **pressed on**.

press on

continue despite difficulties

Tanya **turned away** as the nurse gave her the injection.

turn away

turn your head or body so that you are no longer facing something

The security guards told us to stop taking photos of the building and **move along**.

move along

leave a certain place (usually said by someone in authority)

As the train **went through** the mountain range, Ted took some photographs.

go through

move through a room or space

There was a loud knock at the door. Hassan **stood up** and went to answer it.

stand up

rise from a seated position

The saleswoman **came up to** Fabio and asked if he needed any help.

come up to

approach someone, come close to someone

As we **came down from** the summit, the weather became much worse.

come down (from)

move toward the ground or bottom of something

The monkey **climbed up** the tree with Kazuo's camera.

climb up

move toward the top of something (often using your arms as well as legs)

Kazuo got the monkey to **climb down** by offering it a banana.

climb down

move toward the bottom of something (often using your arms as well as legs)

See also:

climb down 44 fall behind 20 get down 46, 53
go through 54 turn around 33 turn away 5

Terry **doubled back** when he realized he'd walked past the entrance to the gallery.

double back

turn around and go in the direction you just came from

When I heard someone calling my name, I **turned around**.

turn around

turn yourself so that you face the opposite direction

Clive **lifted** his daughter **up** so that she could see the deer.

lift up

raise someone or something

Doug **dropped back** to help one of the other hikers, who had injured himself.

drop back

start to move more slowly than others

Helen told her son to **get down from** the garden wall.

get down (from)

move to the ground or a lower position

19.2 PHRASAL VERBS WITH "WALK"

The visitors **walked around** the palace gardens.

walk around

move around a place on foot

The explorers **walked into** the cave.

walk in(to)

enter a room, building, or enclosed space on foot

A line of tourists slowly **walked over** the ancient bridge.

walk over

move over an object on foot

While we were chatting, Mani **walked off** without saying where he was going.

walk off

leave on foot (often without an explanation)

Janine grabbed her coat and **walked out of** the room.

walk out (of)

leave a room, building, or enclosed space on foot

19.3 LISTEN TO THE AUDIO, THEN NUMBER THE SENTENCES IN THE ORDER YOU HEAR THEM

- A**  While we were chatting, Mani walked off without saying where he was going.
- B**  Terry doubled back when he realized he'd walked past the entrance to the gallery.
- C**  There was a loud knock at the door. Hassan stood up and went to answer it.
- D**  The rain made it hard for the hikers to keep going, but they pressed on.
- E**  The security guards told us to stop taking photos of the building and move along.

Aa

19.4 MATCH THE BEGINNINGS OF THE SENTENCES TO THE CORRECT ENDINGS

- | | |
|---|--|
| 1 Janine grabbed her coat | down by offering it a banana. |
| 2 Kazuo got the monkey to climb | into the cave. |
| 3 The explorers walked | and walked out of the room. |
| 4 Doug dropped back to help one of | so that she could see the deer. |
| 5 As we came down from the summit, | the other hikers, who had injured himself. |
| 6 The saleswoman came up | the weather became much worse. |
| Clive lifted his daughter up | to Fabio and asked if he needed any help. |

Aa

19.5 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

A line of tourists slowly walked ~~around~~ / ~~over~~ / ~~through~~ the ancient bridge.

1 When I heard someone calling my name, I turned ~~about~~ / ~~around~~ / ~~off~~.

2 Martin was exhausted, and began to ~~fall~~ / ~~run~~ / ~~jump~~ behind the other runners.

3 Clive lifted his daughter ~~over~~ / ~~down~~ / ~~up~~ so that she could see the deer.

4 Janine grabbed her coat and walked ~~back~~ / ~~out~~ / ~~down~~ of the room.

5 Doug dropped ~~out~~ / ~~in~~ / ~~back~~ to help one of the other hikers, who had injured himself.

Aa

19.6 FILL IN THE GAPS, PUTTING THE WORDS IN THE CORRECT ORDER

the walked around

The visitors walked around the palace gardens.

away as turned

1 Tanya _____ the nurse gave her the injection.

climbed the up

2 The monkey _____ tree with Kazuo's camera.

get from down

3 Helen told her son to _____ the garden wall.

the through went

4 As the train _____ mountain range, Ted took some photographs.

20.1 STUDYING AND RESEARCH

I'm moving to Tokyo for a year. I need to **brush up on** my Japanese.

brush up on
practice, revise

Nadia stayed up all night trying to **work out** the answer to the equation.

work out
solve a problem

The library was full of students **swotting up on** English grammar.

swot up on (UK)
(informal) study a subject

I kept making mistakes trying to answer the question, so decided to **start over**.

start over (US)
start something again

Fiona **worked through** the problems in her code to fix the issues.

work through
deal with a problem carefully and methodically

Sam has **dived into** his new project. He spent all weekend working on it.

dive in(to)
start doing something with enthusiasm

Patsy's research **focuses on** space travel.

focus on
give attention to

She's **looking into** how astronauts might travel to Mars one day.

look into
investigate, research, or find out about something

20.2 MAKING A PRESENTATION

At the start of your presentation, **lay out** the main points you are going to discuss.

lay out
present or explain in a clear way

After introducing your topic, you should then **move on to** presenting each of your arguments.

move on (to)
proceed to the next point

See also:

fall behind **20** keep up with **33** look into **20**
move on **45** work out **26, 33** work through **45**

Hi, Arjun. Do you know what
"burdensome" means?

No, I don't. You'll have to
look it up in a dictionary.

look up
find information online or in a reference book

The practical assessment and
the written exam both **count**
toward your final grade.

count toward
contribute toward

Bill is trying to **cram in** as much studying
as possible before the exam.

cram in (UK)
*fit a lot of something into a small
space or a short period of time*

Emma was sick for most of the spring.
She has **fallen behind** the other
students in her year.

fall behind
not keep up with

Even though Leo is the youngest in his
class, he manages to **keep up**
with the other children.

keep up with
improve at the same speed as someone

Noah is **majoring in** international politics at college.
He hopes to become an ambassador one day.

major in (US)
study something as your main subject at university

Please take care writing your presentation.
You'll be **marked down** for
incorrect spelling.

mark down
give someone a lower grade

At the end of your presentation, you
should **sum up** each of your conclusions.

sum up
*give a summary of your argument
in the conclusion*

I'm moving to Tokyo for a year. I need to brush up on my Japanese.

I'm moving to Tokyo for a year. I need to brush down my Japanese.

1

Leo is the youngest in his class, but manages to keep up with his classmates.

Leo is the youngest in his class, but manages to keep on at his classmates.

3 Debbie **took** the afternoon **down** so she could go to the dentist.

4 Despite the storm, the engineers **marched on** and installed the new phone line.

23 Careers

23.1 CAREERS

After 35 years running his own company, Robert is **standing down** and retiring.

stand down
leave an important job or position

His daughter Jess is **taking over** the family business.

take over
take responsibility for a company or role

Katie has been a therapist for 20 years, so she has a lot of experience to **draw on**.

draw on
make use of your experience

Olivia is trying to **get into** journalism. She's just started an internship at a radio station.

get into
become involved in something, start a career

If I ever lose my job at the bank, I'll always have my cooking skills to **fall back on**.

fall back on
use skills that you already have (when things go wrong)

When he left school, Paul **set out** to become a millionaire by the time he reached 30.

set out
begin doing something with a specific aim in mind

Carolina went on a training course to help her **get ahead at work**.

get ahead (at)
improve your position at work

I **went back to** my job as a mechanic when my children started school.

go back to
return to a job after a break

Joanna is **winding down** her business to take a job managing a large hotel.

wind down
gradually bring to an end

Chad just finished his degree and is **applying for** jobs in the media.

applying for
ask to be considered for a job

See also:
get into 31 put off 55 set out 35, 53
wind down 31

Thanks to his impressive portfolio, Elliot **walked into** a job with a leading fashion designer.

walk into
find a job easily

Marvin has become such a successful tennis player that he's **branching out into** coaching younger players.

branch out (into)
start doing something different (but related)

Ken's going to **burn himself out** if he keeps working 16 hours a day.

burn out
become exhausted by working too much

We have chosen Diana to **head up** our new sales department.

head up
lead, be in charge of a department or organization

I thought I wanted to be a lawyer, but the workload **put me off**.

put off
make someone dislike a person or thing

Femi has **thrown himself into** his new job at the hair salon. He loves it!

throw (oneself) into
begin doing something with great enthusiasm

Naina is planning to **go into** teaching when she finishes university.

go into
start a career in something

Even though he doesn't like his job, Tom is **sticking with** it until he gets promoted.

stick with
continue despite difficulties

Brian has started selling umbrellas in his store to **cash in on** the recent terrible weather.

cash in on
take advantage of a situation to make money

24.1 BUSINESS

We are proud to announce that our two banks are **entering into** a partnership.

enter into
begin a (business) relationship

Katie's trying to **drum up** interest in her café by offering free samples of her cakes.

drum up
increase support for something

Marco's garden center is doing well. It **turns over** almost \$250,000 a year.

turn over
(about a business) earn an amount of money over a certain period of time

Alan's sportswear company **profited from** the cold weather earlier this year.

profit from
gain a benefit from a situation

The board has finally **come to** a decision about the new logo for the company.

come to
arrive at, reach (a decision)

Chrissie has just **started up** her own hair salon. It opened last week.

start up
open a business

Mario's gas station has just **gone under**. It had been struggling for a long time.

go under
go bankrupt

Ellie's company **deals in** antiques. She sells pieces from all over the world.

deal in
buy and sell goods

Elsa's tired of running her own business. She's decided to **sell up**.

sell up
sell a business

The bank agreed to **write off** the debt, saving Ethan's company from bankruptcy.

write off
cancel a debt

All of the banks in our town have **closed down**. Everyone's using online banking.

close down
close permanently

My plans to expand my business **fell through** when the bank refused to lend me enough money.

fall through
fail to happen

Gemma has **bought out** all the other partners. She now owns the whole company.

buy out
buy someone's share of a business

Rita's company sells furniture, but **farms out** all of its manufacturing to other people.

farm out (to)
give some of your work to people who do not work for your company

Our business is growing, so we are **taking on** more staff.

take on
employ

We need the CEO to **sign off on** this important decision.

sign off on
give official approval to something

A new bookstore is **opening up** in our neighborhood.

open up
open for the first time

Al's store is **selling off** a lot of its stock. There are some great bargains there.

sell off
sell something quickly at a reduced price

The company is facing difficulties. We may need to **lay off** some staff.

lay off
stop employing someone

Could you **draw up** a contract for our new clients?

draw up
write a contract

Aa

24.2 MATCH THE PICTURES TO THE CORRECT SENTENCES

We are proud to announce that our two banks are entering into a partnership.

1

All of the banks in our town have closed down. Everyone's using online banking.

2

Mario's gas station has just gone under. It had been struggling for a long time.

3

Katie's trying to drum up interest in her café by offering free samples of her cakes.

4

The bank agreed to write off the debt, saving Ethan's company from bankruptcy.

Aa

24.3 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

Elsa's tired of running her own business. She's decided to ~~trade~~ / ~~sell~~ / ~~walk~~ up.

- 1 Marco's garden center is doing well. It turns **down** / **over** / **forward** almost \$250,000 a year.
- 2 We need the CEO to **sign** / **mark** / **stamp** off on this important decision.

25 Numbers and amounts

25.1 NUMBERS AND AMOUNTS

Katie's bills have been **stacking up**. She's in a lot of debt now.

stack up
increase in number or amount

The price for our cruise was going to be \$1,207, but the travel agent agreed to **round it down** to \$1,200.

round down (to)
reduce a number to a nearby number (usually ending in zero)

The kids are **counting down** the days before we go camping.

count down
count the amount of time before something happens

The company's share price has been **falling**, but it's finally starting to **bottom out**.

bottom out
stop getting worse, reach its lowest point

The number of people buying clothes online **shot up** last year.

shoot up
increase dramatically

The temperature varies a bit in the summer, but it **averages out** at about 25°C.

average out (at)
result in an average of

We estimated the cost of the project to be £14,900, but **rounded it up** to the nearest thousand.

round up (to)
increase a number to a nearby number (usually ending in zero)

Alfie **counted out** the money he owed me and placed it on the table.

count out
count things one by one and place them somewhere

After falling dramatically in May, the price of gold has **evened out** over the past two months.

even out
become level, contain fewer differences or irregularities

Over the last six months, it has started to **level out**.

level out
become level, stop increasing or decreasing

See also:
add up 14, 41 take away 30, 55

The coach **divided** the children **up into** two equal teams.

divide up (into)
separate into groups,
pieces, or sections

If you want to set yourself a budget,
start by **adding up** all your
monthly expenses.

add up
calculate the total

Renovating a house is very expensive.
The cost soon **mounts up**.

mount up
gradually increase in
number or amount

Shreya **counted up** the number of
people wanting coffee and went
to make some.

count up
add together things or people
belonging to a group

When Georgia was paying her check,
she **added on** a 20% tip.

add on
attach an extra thing or
amount to something

25.2 CALCULATIONS

If you **add 20 and 4 together**,
you get 24.

add together
calculate the total of two
or more numbers

The teacher asked what's left when you
take 4 away from 20.

take away (from)
subtract

For the next question, the class
had to **multiply 20 by 4**.

multiply by
add a number to itself a
certain number of times

Does anyone know what
20 divided by 4 equals?

divide by
find how many times a larger
number contains a smaller number

Aa

25.3 MARK THE SENTENCES THAT ARE CORRECT

The kids are counting down the days before we go camping.

The kids are counting below the days before we go camping.

1 The number of people buying clothes online shot up last year.

The number of people buying clothes online bought up last year.

2 The coach divided the children above into two equal teams.

The coach divided the children up into two equal teams.

3 Shreya counted up the number of people wanting coffee and went to make some.

Shreya counted on the number of people wanting coffee and went to make some.

26.1 SUCCESS

Nia **built on** her experience working at a hotel to set up her own guesthouse.

build on

use your knowledge, experience, or success as a way to become more successful

Clive **muddled through** the interview without any preparation. He was shocked when he got the job.

muddle through

manage to do something despite having no plan or understanding of it

When I didn't get into college, I started my own successful business. Everything **worked out** in the end!

work out

have a positive outcome

I know these results are disappointing, but keep working and you will **win out** eventually.

win out

be successful after difficulty

Anita's hard work has **paid off**. The dress looks beautiful.

pay off

benefit after investing time or money

I never imagined James would be so great playing Hamlet, but he really **carried it off**.

carry off

unexpectedly succeed at something

The Scottish team **pulled off** an amazing victory, scoring two goals in the last four minutes.

pull off

be successful (despite difficulties)

Maria's dream of becoming famous finally **came off** when her song became a huge summer hit.

come off

be successful (about a plan)

Marco did not study at all for the English exam but somehow **scraped by**.

scrape by

only just succeed in doing something

Kwase **sailed through** his driving test. He didn't make any mistakes.

sail through

deal with something very easily

See also:

come off **6, 52** give up **55** pay off **14**
run into **14** work out **20, 33**

26.2 FAILURE

Marcello tried to fix the washing machine, but he has **given up**.

give up
stop trying to achieve something

Many smaller stores have **lost out** since the supermarket opened in town.

lose out (to)
be beaten by something else

Simon's campaign **ran into** difficulties when he was accused of lying.

run into
begin to experience something negative

The decorators have **screwed up** this job! We won't use them again.

screw up
make a mess of something (informal)

26.3 CAUSES OF SUCCESS AND FAILURE

The future success of our company **rides on** us winning this contract.

ride on
depend on

When accepting the award, Carla **put her success down to** hard work.

put down to
attribute events to a particular reason

Having supportive parents really **contributed to** my success.

contribute to
help to cause something

My teachers told me I'd never **amount to** anything, but now I'm a lawyer.

amount to
develop into (often used in the negative)

When Al saw how many people were making money by selling things online, he decided to **get in on** it.

get in on
become involved in a successful activity

Aa

29.2 PREPARING A RECIPE

RECIPE

CHICKEN CASSEROLE

INGREDIENTS

2 onions
3 carrots
5 potatoes
2 chicken thighs
1 pint vegetable stock
Chopped parsley (to garnish)

SERVES: 4

PREP TIME: 15 minutes

COOK TIME: 30 minutes

METHOD

1. Start by **chopping up** some onions, carrots, and potatoes, then **set** them **aside** for later.
2. Fry the meat on a medium heat for 10 minutes (you may want to **cut off** any extra fat from the meat).
3. **Pour in** the stock, add the vegetables, and boil for 20 minutes.
4. **Finish off** the stew by adding chopped parsley.

Note: To make a vegetarian version, **leave out** the meat and use mushrooms instead.

Start by **chopping up** some onions, carrots, and potatoes.

chop up
cut into small pieces

After you've chopped the vegetables, **set them aside** for later.

set aside
keep something for later

I always **cut off** the fat from the meat before cooking it.

cut off
remove something from a larger piece

When the meat is cooked, **pour in** the stock.

pour in
add a liquid

Finish off the stew by adding chopped parsley.

finish off
complete

To make a vegetarian version, **leave out** the meat and use mushrooms instead.

leave out
exclude, not include

29.5 MATCH THE PICTURES TO THE CORRECT SENTENCES

The sauce boiled over, leaving a mess on the stove top.

1

Dev took the leftovers from the fridge and heated them up in the microwave.

2

I always measure out all of my ingredients before trying a new recipe.

3

Patrick broke up the chocolate before adding it to the cake mixture.

4

We managed to fill up three jars with the cookies we'd baked.

5

My sister can whip up a tasty meal in minutes from just a few ingredients.

29.6 REWRITE THE SENTENCES, CORRECTING THE ERRORS

Start by **chopping ups** onions and carrots.

Start by chopping up onions and carrots.

1 After chopping the vegetables, **set** them **beside**.

2 **Cut on** the fat from the meat before cooking it.

3 When the meat is cooked, **pour up** the stock.

4 **Mix over** the eggs with the other ingredients.

5 **Finish in** the stew by adding chopped parsley.

6 Before serving, make sure to **fish on** any bones.

7 For a vegetarian version, **leave down** the meat.

30 Food and drink

30.1 FOOD

Rosa **served up** a wonderful seafood dish.

serve up
present food to other people

Martin's grandmother told him he could only have dessert if he **ate up** all his vegetables.

eat up
eat all of something

Selma and Roy prefer to **eat in**. It's much cheaper than going to a restaurant.

eat in
eat a meal at home

That fish really **didn't agree with me**. I have a terrible stomachache.

not agree with
make someone feel ill

I think this milk has **gone off**. It smells terrible.

go off (UK)
become bad to eat or drink

Apple pie and ice cream **go together** perfectly.

go together
taste or look good together

Our restaurant can **cater for** about 100 customers at a time.

cater for
provide for

30.2 DRINK

After the wedding, we all **drank to** the bride and groom.

drink to
toast someone or something

The café was about to close, so we **drank up** and got ready to leave.

drink up
drink all of something

See also:
break off 49 go off 8, 27, 35
run out (of) 15 take away 25, 55

I was going to make a lasagna, but we've **run out of** pasta.

run out (of)
use all of something, not have any more of something

Why don't we **eat out** for a change? We could go to that new Italian restaurant instead.

eat out
eat in a café or restaurant, eat away from home

Daniel **broke off** a piece of bread and dipped it in the olive oil.

break off
separate a smaller piece of something from a larger piece

Lisa **shared out** the chocolates, giving the children two each.

share out
give each person the same amount of something

Greg was so hungry that he **polished off** the entire cake.

polish off
eat or drink all of something

After a long day at the beach, my kids **wolfed down** their dinner.

wolf down
eat all of something very quickly

Paul and Sarah ordered two hamburgers and sodas to **take away**.

take away (UK)
take food out of a restaurant to eat

This cake is delicious, but it could **do without** all the cream on top.

do without
be better without

I **washed down** my pizza with a cold drink.

wash down
drink something after eating (informal)

Your mug's almost empty, Peter. Would you like me to **top it up**?

top up
fill a cup or glass that is partly empty

Aa

30.3 MATCH THE BEGINNINGS OF THE SENTENCES TO THE CORRECT ENDINGS

Greg was so hungry that

we all drank to the bride and groom.

1 I washed down my pizza

giving the children two each.

2 Our restaurant can cater for

he polished off the entire cake.

3 After the wedding,

but we've run out of pasta.

4 Lisa shared out the chocolates,

about 100 customers at a time.

5 I was going to make a lasagna,

with a cold drink.

Aa

30.4 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

After the wedding, we all drank ~~on~~ / ~~to~~ / ~~over~~ the bride and groom.1 Paul and Sarah ordered two hamburgers and sodas to take ~~away~~ / ~~off~~ / ~~with~~.2 The café was about to close, so we drank ~~down~~ / ~~in~~ / ~~up~~ and got ready to leave.3 I washed ~~up~~ / ~~down~~ / ~~in~~ my pizza with a cold drink.4 After a long day at the beach, my kids wolfed ~~out~~ / ~~down~~ / ~~on~~ their dinner.5 Daniel broke ~~over~~ / ~~off~~ / ~~down~~ a piece of bread and dipped it in the olive oil.

I have a headache and my nose
is running.

come down with
become ill with

When Rachel **came around** after the
operation, her husband was
sitting at her bedside.

come around
become conscious again

I was very sad to hear that your
grandmother has **passed away**.

pass away
die

My son **passed on** the virus
to his sisters.

pass on
give (an illness) to someone else

One of the musicians **passed out** during
the performance this evening.

pass out
faint, become unconscious

It was a very risky operation,
but Josh **pulled through**.

pull through
survive a serious illness or operation

Tina's leg muscles **seized up** after she
had completed the marathon.

seize up
become stiff, difficult to move

I've been ill for weeks, but I've finally
managed to **shake it off**.

shake off
fully recover from

Ella's been **throwing up** all day. She must
be suffering from food poisoning.

throw up
vomit

As the painkiller **wore off**, Shahid's
tooth began to ache again.

wear off
gradually lose its effectiveness

Aa

32.2 MATCH THE DEFINITIONS TO THE CORRECT PHRASAL VERBS

to recover quickly or without difficulty

heal up

1 become completely healthy

throw up

2 vomit

bounce back

3 suddenly appear or reappear

go around

4 become conscious again

seize up

5 become stiff, difficult to move

Sami and Shahid **made** the cardboard box **into** a robot.

make into
change something into something else

The architects have **mocked up** a model of the new museum.

mock up
make a model of something

Greg and Chloe **colored in** pictures of dinosaurs after their trip to the museum.

color in
use colored pencils or pens to add colors to a drawing

34.2 MEDIA

The new music channel is **aimed at** people who like jazz.

aim at
be intended for or targeted at

This new TV show **feeds on** people's curiosity about aliens.

feed on
take advantage of

I **tune into** my favorite radio show every Sunday morning.

tune into
watch or listen to a program or station on the television or radio

34.3 MUSIC

At the start of the horror movie, scary music started to **fade in**.

fade in
gradually become louder

As the music **died away**, the presenter stepped onto the stage.

die away
become quieter before ending

The noise from the parade **faded away** as it moved away from us.

fade away
gradually become quieter

My new headphones help me concentrate by **filtering out** background noise.

filter out
remove or block something

Aa

34.4 FILL IN THE GAPS USING THE PHRASAL VERBS IN THE PANEL

As the music died away, the presenter stepped onto the stage.

- 1 The new music channel is _____ people who like jazz.

35.1 TRAVEL

When Krishna **arrived at** the villa, the party had already begun.

arrive at
 reach a destination

During his vacation in Rome, Anton hired a moped to **get around** the city.

get around
 travel from place to place

When they arrived at the hotel, Julia and John went to reception to **check in**.

check in(to)
 register your arrival at a hotel or airport

Julia and John **checked out of** the hotel and went to the airport.

check out (of)
 leave a hotel after paying the bill

On your way to London you'll **pass by** Cambridge, a beautiful university city.

pass by
 pass another place (while on the way somewhere else)

Dan and I went to Paris for our honeymoon. We **went back** last month for our 25th wedding anniversary.

go back
 visit again

By the time we **got back from** our cycle ride, it was already getting dark.

get back from
 return from

We were supposed to hike to the mountain, but we **ended up** by the lake.

end up
 arrive somewhere unintentionally

Marimar and I **went off to** Miami recently.

go off (to)
 go on a trip or vacation

It was great to **get away** for a few days!

get away
 go somewhere for a break or to relax

Hi Paula,
We're having a great time in Cyprus.
Our hotel overlooks the sea. We **soak up** the atmosphere each morning as we have our coffee. We're **packing in** lots of sightseeing. We saw some ruins and a vineyard today. We're **heading for** Athens today. We can't wait! We'll **bring you back** some local olives. They're delicious!
See you soon!
Ted and Sandy

Our hotel overlooks the sea. We **soak up** the atmosphere each morning as we have our coffee.

soak up
look and listen, enjoy

We're **packing in** lots of sightseeing during our vacation. We saw some ruins and a vineyard today.

pack in
include (a lot of something)

We've been in Cyprus for a few days, but we're **heading for** Athens today.

head for
move towards a certain destination

We **brought you back** some local olives. They're delicious!

bring back
return with

Whenever we **set out on** a hike, we always take waterproofs, a compass, and a map.

set out (on)
start a journey

We **set off for** Chicago at dawn when there would be less traffic on the roads.

set off (for)
start a journey

On our way to Barcelona, we **stopped over** in a lovely hotel for the night.

stop over
stay somewhere on the way to somewhere else

We managed to **put** the tent **up** even though it was raining heavily.

put up
put together, erect

36 Talking

36.1 TALKING

Ben's not keen on buying a new car. I'm trying to **talk him round**.

talk round (UK)

manage to persuade someone

Kirsty **talked** the workers **through** the new software system.

talk through

explain how something works

Marco is always **talking at** people. He never gives them a chance to speak.

talk at

talk to someone without letting them speak

My kids **talked me into** getting a puppy. They've promised to take care of it.

talk into

persuade someone to do something

Shona wanted to dye her hair green, but her sister **talked her out of** it.

talk out of

persuade someone not to do something

Every time Rita tries to say something, Greg **talks over** her.

talk over

talk loudly while someone else is talking

Uncle Toby still **talks down to** me like I'm a child, even though I'm 25.

talk down to

talk in a patronizing way to

While Julia was explaining her idea, Rupert **cut in** to tell her she was wrong.

cut in

interrupt

We were chatting about movies when Tina **launched into** a speech about her favorite actors.

launch into

suddenly begin speaking with enthusiasm about something

Simone spent the whole of lunch **mouthed off** about how much she hates her new boss.

mouth off

talk negatively about something or someone (informal)

See also:
blurt out 51 come up 16, 50, 52
talk over 22

Shut up and listen
to me for once!

shut up
stop talking (rude)

I think you should **tone down**
your language.

tone down
make your language less strong

I couldn't hear Louise at all. The man
next to us was completely
drowning her out.

drown out
talk louder than someone else

Lauren **comes out with** the funniest
things. Today she told me she
wants to live on the Moon.

come out with
say something surprising

Diana is always **rambling on** about how
things were better when she was a child.

ramble on
*talk for a long time about something
(in an annoying or incoherent way)*

The lecturer **droned on** for what felt like
hours. We were half asleep by the end.

drone on
*talk for a long time in a
very boring way*

Craig was trying to tell a joke, but **tailed off**
as he realized that no one was listening.

tail off
stop talking gradually

After the concert, I **struck up** a conversation
with one of the guitarists.

strike up
start a conversation

When soccer **came up in** conversation,
Bill and I realized we support
the same team.

come up (in)
*be mentioned in conversation,
usually unexpectedly*

Andy **blurted out** the name of
the winner. It was supposed
to be a secret.

blurt out
*say something without thinking
about it first*

Aa**36.2 MATCH THE BEGINNINGS OF THE SENTENCES TO THE CORRECT ENDINGS**

5 After the concert, I _____ a conversation with the guitarist.

Aa

36.6 REWRITE THE SENTENCES, CORRECTING THE ERRORS

Lauren **goes out with** the funniest things. Today she told me she wants to live on the Moon.

Lauren comes out with the funniest things. Today she told me she wants to live on the Moon.

1 Ben's not keen on buying a new car. I'm trying to **talk** him **straight**.

2 When soccer **came down in** conversation, Bill and I realized we support the same team.

3 Craig was trying to tell a joke, but **tailed up** as he realized that no one was listening.

4 While Julia was explaining her idea, Rupert **chopped in** to tell her she was wrong.

5 Simone spent the whole of lunch **teething off** about how much she hates her new boss.

37.1 WRITING

Before you can use the gym, you need to **fill in** this form.

fill in
complete a form

Miguel **scribbled down** a note to his housemate to say that he was going out for the evening.

scribble down
write something quickly or roughly

Ted always **writes out** his essays instead of typing them.

write out
write something in full by hand

Celia read through her notes from today's lecture and **typed them up**.

type up
type something from written notes

The journalist **jotted down** the details as Dan described his role in the new movie.

jot down
make written notes quickly

37.2 READING

I've only **dipped into** Nia's new novel, but it's fantastic so far.

dip into
read short parts of a book or text

It stands for Unidentified Flying Object.

What does UFO mean?

stand for
represent, be an abbreviation for

We **pored over** the old document looking for clues.

pore over
read with great attention

Adventures in the Wilderness should **make for** interesting reading!

make for
result in

Your essay's too long, Marcel. You need to **cut it down** a bit.

Okay. I'll try to **cut out** 500 words.

cut down
reduce in size

cut out
remove material from a text

When I write a restaurant review I usually **write down** a few thoughts while I'm eating.

write down
record information by writing it

I **wrote up** my review at home later that evening.

write up
write or type something in full from notes

When completing the form, Damian **wrote in** his age.

write in
enter information by writing it

Paco read the book and **noted down** the most important points.

note down
make written notes

Alexandra **flicked through** a magazine while she waited to get her hair cut.

flick through
look through a book or magazine quickly or casually

Max **read through** the full report before giving his opinion.

read through
read something from start to finish

As the judge **read out** the names of the winners, Pablo waited hopefully.

read out
read aloud (for others to hear)

Fatima **read up on** ancient Greece before her history exam.

read up on
research or revise a topic

Aa

37.3 MATCH THE PHRASAL VERBS TO THE CORRECT DEFINITIONS

	read out	write something quickly or roughly

37.6 FILL IN THE GAPS USING THE WORDS IN THE PANEL TO CREATE PHRASAL VERBS

When I write a restaurant review, I usually write down a few thoughts while I'm eating.

- I'll try to cut 500 words from my essay if it is too long.
- Adventures in the Wilderness* should make interesting reading!
- Paco read the book and noted the most important points.
- We pored the old document looking for clues.

for out ~~down~~ over down

38.1 ON THE PHONE

I had to call Megan six times before she finally **picked up** the phone.

pick up
answer a phone call

Hi Laura, sorry I'm cooking at the moment. Can I **call you back** in 10 minutes?

call back
return a call, phone someone who tried to speak to you earlier

Anna works from home on Tuesdays, so she will **dial into** the meeting.

dial in(to)
join a conference call

After chatting for over an hour, Simon and I said goodbye and **hung up**.

hang up
end a phone call (often suddenly)

Could you please **speak up**? I can't hear you very well!

speak up
talk more loudly

I've called Olly a few times this evening, but I can't **get through**.

get through (to)
make contact with someone by phone

Sorry, I can't hear you very well, I'm afraid. You keep **breaking up**.

break up
become difficult to hear (because of a bad signal or connection)

I **phoned around** to ask if any of my friends wanted to go to the beach with me.

phone around
phone several people

Could I speak to Mr. Yamamoto, please?

Certainly. I'll **put you through** now, madam.

put through (to)
connect someone to the person they want to speak to

38.2 LEAVING A MESSAGE

Dave **passed on** a message telling me that Rob had called.

pass on
give someone a message that someone else has given to you

Hi Ulrika,
Rob called and asked me to **pass on** a message. He wants to **follow up on** your chat about the new logo last week. Can you **get back to** him as soon as you can?
Dave

Rob wants to **follow up on** the conversation we had about the new logo.

follow up on
find out more information, do something in response to something

He asked me to **get back to** him as soon as possible.

get back (to)
reply to a phone call or email, contact someone (with a response to a question)

38.3 SENDING AND REPLYING

I love receiving letters from my dad. I always **write back** immediately.

write back
reply by letter or email

Claudia **sent** wedding invitations **out to** all her friends and family.

send out (to)
send to a group of people

I sent Paul a text asking him where he was. He **texted back** saying he was on the train.

text back
reply by text message

Chris emailed me a week ago, but I only just remembered to **email him back**.

email back
reply by email

Our company is trying to **reach out to** new customers by offering discounts.

reach out (to)
contact

Murat completed all the forms and **sent them off to** the passport office.

send off (to)
send something by post or email

Aa**38.4** CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

I had to call Megan six times before she finally picked ~~out~~ / ~~over~~ / **up** the phone.

- ① Rob wants to **chase** / **follow** / **catch** up on the conversation we had about the new logo.
- ② Claudia sent wedding invitations **up** / **off** / **out** to all her friends and family.
- ③ Dave passed **up** / **off** / **on** a message telling me that Rob had called.
- ④ Sorry, I can't hear you very well, I'm afraid. You keep **crumbling** / **breaking** / **tearing** up.
- ⑤ I've called Olly a few times this evening, but I can't get **among** / **into** / **through**.
- ⑥ Could you please speak **down** / **on** / **up**? I can't hear you very well!

Aa**38.5** MATCH THE PICTURES TO THE CORRECT SENTENCES

Murat completed all the forms and sent them off to the passport office.

I sent Paul a text asking him where he was. He texted back saying he was on the train.

Claudia sent wedding invitations out to all her friends and family.

Chris emailed me a week ago, but I only just remembered to email him back.

39.1 IDEAS

They **bombarded** us with too much information during the training course.

bombard with
ask too many questions, give too much information

Gill and the design team are **bouncing** ideas **off** each other before the show next week.

bounce off
exchange creative ideas to see how other people respond to them

The president's speech **touched on** the economy, healthcare, and education.

touch on
briefly mention something in a talk or text

I wrote a proposal for more environmentally friendly policies and **put it to** the directors.

put to
make a suggestion so that others can choose to accept it or not

When my husband suggested buying a new kitchen, I **ran with** it.

run with
do what someone suggests

When I told my friends I was starting my own business, they all **got behind** the idea.

get behind
offer support to someone

The creative manager asked her team to **throw out** as many ideas as they could.

throw out
suggest lots of spontaneous ideas

We have **ruled out** three of the candidates. It's a choice between Danny and Carmen.

rule out
remove someone or something as an option when making a choice

Ted has **come up with** some good ideas for a new logo.

come up with
think of an idea, suggestion, or plan

He decided to **put forward** the version with the star.

put forward
offer an opinion, idea, or suggestion

39.2 REALIZING THINGS

The artist's feelings of anger **come across** very strongly in this painting.

come across
be communicated

Experts have **attributed** this painting to Joan Miró because of the distinctive style.

attribute to
believe that a certain person said or created something

It finally **dawned on** me that Claude was the killer.

dawn on
become clear to someone

It had never **occurred to** me that such a charming character could commit such a terrible crime.

occur to
suddenly come into someone's mind

39.3 THOUGHTS

While writing her memoir, Rebecca **reflected on** her childhood.

reflect on
carefully think about something

Before deciding whether or not to move to Canada, we need to **think it through**.

think through
considering the advantages and disadvantages of something

Selma is very creative. She **thinks up** lots of wonderful dishes.

think up
invent a new plan or idea in your mind

There's a lot to think about when buying a house, but it often **boils down to** money.

boil down to
be the most important reason

I asked Zoya if she'd like to work for us. She's **thinking it over**, and will let us know tomorrow.

think over
carefully think about a plan or idea before making a decision

The teacher asked us all to **think of** a famous person from history and write a story about them.

think of
create a mental image of something or someone

39.4 LISTEN TO THE AUDIO, THEN NUMBER THE PICTURES IN THE ORDER YOU HEAR THEM

40 Explaining things

See also:
fill in 37

40.1 EXPLAINING THINGS

The politician **alluded to** housing in his speech, but mostly spoke about transportation.

allude to
mention something indirectly

How many times do I have to **spell it out** to you? You're not allowed to use your phone in class.

spell out
explain something very clearly (usually with anger or frustration)

During her speech, the senator kept **coming back to** her financial policies.

come back to
return to a subject

The interviewer asked me to **expand on** my experience of working with animals.

expand on
give more details about something

I asked the professor if he could **go back over** some of the points from the lecture.

go back over
explain the details of something again

Pete couldn't remember the French word for "swimming," so he **acted it out**.

act out
explain or show something by performing or re-enacting it

Yuri managed to **put his ideas across** very well during the debate.

put across
successfully explain an idea or express a feeling

My friend **pointed out** some of the mistakes I'd made in my code.

point out
help someone to notice something

Becky asked Sarah to **fill her in on** the latest gossip from the office.

fill (someone) in (on)
provide the latest or most important information about something

Gio didn't know anything about computers, so he asked the salesperson to **dumb it down** for him.

dumb down
make something easier to understand

40.2 LISTEN TO THE AUDIO AND MARK THE PHRASAL VERBS YOU HEAR

5 mention something indirectly

= a _ _ _ _ _ t _ _ _

6 explain the details of something again

= g _ _ b _ _ _ o _ _ _ _

41 Truth and lies

41.1 TRUTH

I never **caught on** that Dad's company was in such debt.

catch on
realize something is happening

When it **came out** that he was bankrupt, I was shocked!

come out
become known

Conan finally **owned up to** breaking the window. He'd been denying it all morning.

own up (to)
admit that something was your fault

I have to **level with** you, Anu. The cake looks lovely, but it tastes terrible.

level with
tell someone the truth

41.2 LIES

We **fell for** the salesman's talk. The car we bought broke down after a few days.

fall for
be tricked into believing something

Pio's always **making up** excuses for handing in his homework late. Today, he claimed his school bag had been stolen.

make up
invent a story to explain something

Tyler has been promising to pay me back for months, but he's just **stringing me along**.

string along
give someone false hopes or make them believe something that is false

Alice accused me of **messing her around** when I canceled our date for a third time.

mess around
treat someone badly by deceiving them or changing plans regularly

After eating all the cake, John tried to **cover it up** by claiming the dog had eaten it.

cover up
hide the truth from other people

Larry's claim that he was at home on the night of the crime didn't **add up**.

add up
make sense, be a logical explanation

See also:

add up 14, 25 come out 5, 12 cover up 6 fall for 3 make out 52
make up 44, 52 mess around 21 put on 6, 27, 55

It's really hard to **suss** the new neighbors out. They don't say anything about themselves.

suss out (UK)
understand what someone wants, or what kind of person they are

Gary was always exaggerating about how rich he was, but Safiya could **see through** his lies.

see through
be aware that something is not true

I've been trying to **find out** from Nisha who Sammy's dating.

find out
discover information

I think she knows more than she's **letting on**.

let on
admit or reveal something

Amrit promised his mother he'd stay home and study, but she **caught him out** when she heard him come home late.

catch out
discover that someone is lying

Mario **glossed over** the bad result, claiming the team would soon be back on form.

gloss over
try to make bad news or a mistake seem unimportant

Josie tried to **explain away** the damage to my car by saying it was just a small scratch.

explain away
try to persuade someone that a bad situation is not important or not your fault

Kirstie's been **making out** that everything's okay, but I know she's stressed about her interview.

make out
pretend

The CEO has been **playing down** the company's financial problems.

play down
make a problem seem unimportant

It looked as if Aaron had been injured, but I knew he was **putting it on**.

put on
pretend

42 Encouragement

42.1 ENCOURAGEMENT AND PERSUASION

The thought of winning first prize **spurred** Farukh **on**.

spur on

encourage someone, inspire someone to do something

Helen has **put me onto** this great new hair salon. I'm going to check it out.

put onto

tell someone about something they might find useful

When Zoe asked her daughter why she'd stolen the cookies, she said her elder brother had **put her up to** it.

put up to

encourage someone to do something that is wrong

Lisa's speech in favor of a new nature reserve has **brought** many people **around** to the idea.

bring around

persuade someone to support your idea

Kendra was very nervous, but was happy to see her friends **rooting for** her.

root for

show your support for someone

My son was upset, so I bought him an ice cream to **buck him up**.

buck up

make someone feel happier

Marcus's friends **egged him on** as he climbed the tree.

egg on

encourage someone to do something (often something naughty)

The crowd **urged** Mona **on** as she approached the end of the tightrope.

urge on

encourage someone to do something

Rahul was skeptical about electric cars until the salesman **reasoned with** him.

reason with

offer logical arguments to try to change someone's mind

He eventually **won him over** by explaining how eco-friendly they are.

win over

successfully persuade someone to support your idea

The thought of winning first prize spurred Farukh on.

The thought of winning first prize spurred Farukh off.

① Helen has put me onto this great new hair salon. I'm going to check it out.

Helen has taken me onto this great new hair salon. I'm going to check it out.

② Lisa's speech in favor of a new nature reserve has brought many people around to the idea.

Lisa's speech in favor of a new nature reserve has brought many people about to the idea.

③ Kendra was very nervous, but was happy to see her friends planting for her.

Kendra was very nervous, but was happy to see her friends rooting for her.

④ Zoe's daughter said her elder brother had put her up to stealing the cookies.

Zoe's daughter said her elder brother had put her onto stealing the cookies.

42.3 LISTEN TO THE AUDIO AND COMPLETE THE SENTENCES THAT DESCRIBE EACH PICTURE

Marcus's friends egged him on as he climbed the tree.

① Kendra was very nervous, but was happy to see her friends _____ her.

② Rahul was skeptical about electric cars until the salesman _____ him.

③ The crowd _____ Mona _____ as she approached the end of the tightrope.

④ He eventually _____ him _____ by explaining how eco-friendly they are.

⑤ My son was upset, so I bought him an ice cream to _____ him _____.

43 Agreeing and disagreeing

43.1 AGREEING AND DISAGREEING

Everyone **agrees with** John that Sian should get the job.

agree with
have the same opinion as someone

Martin and Simon **disagreed with** each other about what color to paint the kitchen.

disagree with
believe that someone or something is wrong

I want to go on an expensive vacation this year. I'm trying to persuade my husband to **go along with** the idea.

go along with
unwillingly agree to do something

My aunt **frowns on** people wearing shoes indoors. She makes her friends take them off when they visit.

frown on
disapprove of something

I can always **count on** my sister to comfort me when I'm upset.

count on
rely on someone

Laura **objected to** Ankita's proposals for the new restaurant.

object to
be opposed to something

During the debate, the politician **hit out at** her opponents.

hit out at
strongly criticize someone

Danny **pulled Roberta up on** her attitude towards the environment.

pull up on (UK)
criticize someone for a particular thing

Our local representative has **come out against** the plans for a new housing development.

come out against
reveal your opposition to something in public

Whenever there's a disagreement at work, Paulina always **sides with** our boss. It's so irritating!

side with
support someone in an argument

Carla **stood up to** the bullies. She told them to stop being mean to her brother.

stand up to
*defend someone or yourself
against someone else*

The workers at the factory are **pushing back on** the management's attempt to introduce a pay cut.

push back (on)
resist or oppose something

I think Sonia **has something against** me. She never wants to talk to me.

have (something) against
dislike someone for an unknown reason

My idea was **shot down** by the panel before I had a chance to explain it to them.

shoot down
reject an idea

When Emily's boss accused her of being lazy, she **fought back** by showing him the clothes she had made that morning.

fight back
*respond to someone who
has criticized you*

43.2 AVOIDING CONFLICT

Terry's colleagues always make fun of his shirts, but he just **laughs it off**.

laugh off
*deal with criticism or a difficult
situation by laughing at it*

Donna bought her brother some chocolates to **make up for** the things she had said to him.

make up for
*do something positive to
correct a mistake*

Paul usually **shrugs off** criticism of his cooking.

shrug off
*treat something as if
it is not important*

The two companies have almost reached a deal. They just need to **iron out** a few last details.

iron out
solve small problems or details

Everyone criticized Magda's art when she started, but she **rose above it** and is a successful artist now.

rise above
*not let criticism or a difficult
situation affect you badly*

Aa

43.3 MATCH THE PICTURES TO THE CORRECT SENTENCES

I can count on my sister to comfort me when I'm upset.

1

Laura objected to Ankita's proposals for a new restaurant.

2

He pulled her up on her attitude towards the environment.

3

During the debate, she hit out at her opponents.

4

Paul usually shrugs off criticism of his cooking.

5

Carla stood up to the bullies and told them not to be mean.

Aa

43.5 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

Paulina always sides ~~up~~ / **with** / ~~on~~ our boss. It's so irritating!

- Everyone agrees **with** / ~~on~~ / ~~for~~ John that Sian should get the job.
- Everyone criticized Magda's art, but she rose ~~above~~ / ~~for~~ / ~~on~~ it and is a successful artist now.
- The workers are pushing ~~up for~~ / ~~back on~~ / ~~out of~~ the management's policies.
- They disagreed **with** / ~~of~~ / ~~on~~ each other about what color to paint the kitchen.

Aa 43.6 READ THE STATEMENTS AND MARK THE CORRECT MEANING

Paul usually shrugs off criticism of his cooking.

Paul listens to criticism.

Paul doesn't listen to criticism.

Criticism helps Paul improve.

1 My aunt frowns on people wearing shoes indoors.

My aunt disapproves.

My aunt wears shoes indoors.

My aunt doesn't wear shoes at all.

2 Paulina always sides with our boss.

Paulina never supports our boss.

Paulina doesn't like our boss.

Paulina always supports our boss.

3 Laura objected to Ankita's proposals.

Laura liked Ankita's proposals.

Laura supported Ankita's proposals.

Laura opposed Ankita's proposals.

4 Carla stood up to the bullies.

Carla did not defend herself.

Carla defended herself.

Carla was one of the bullies.

5 They just need to iron out a few last details.

They need to solve small problems.

They need to create problems.

They need to avoid problems.

Aa 43.7 REWRITE THE SENTENCES, CORRECTING THE ERRORS

My idea was **shot up** by the panel before I had a chance to explain it to them.

My idea was shot down by the panel before I had a chance to explain it to them.

1 I think Sonia **has** something **about** me. She never wants to talk to me.

2 Martin and Simon **disagreed on** each other about what color to paint the kitchen.

3 Our local representative has **come out under** the plans for a new housing development.

4 Donna bought her brother some chocolates to **make up by** the things she had said to him.

5 Terry's colleagues always make fun of his shirts, but he just **laughs it over**.

44 Opinions and arguments

44.1 OFFERING OPINIONS

Sorry, I'm not sure what you're **getting at**.

get at
imply, try to say something indirectly

The manager **laid into** the players after they lost another match.

lay into
criticize someone in an angry way

Anetta is always **speaking out** about environmental issues.

speak out
give your opinion publicly

Andy **lashed out at** someone who dropped litter in the street.

lash out (at)
criticize someone in an angry way

The professor **weighed in on** the debate about the new power station.

weigh in on
add your opinion to an ongoing discussion

Farah makes sure to **base all** her arguments **on** facts.

base on
use facts or arguments to support your opinion

44.2 JOINING ARGUMENTS

Only one of my colleagues **stuck up for** me when my boss criticized my work.

stick up for
defend someone or something

When Dad accused me of lying, Jo **backed me up** and told him I was telling the truth.

back up
give someone support by agreeing with them

Moira tried to **drag Phil into** her argument with the chef.

drag into
make someone join in an argument against their will

Phil, however, preferred to **stay out of** it.

stay out of
avoid becoming involved in an argument

44.3 SURRENDERING, COMPROMISE, AND RECONCILIATION

Ben and Gus finally **made up** after their argument.

make up (with)
become friends again

They had **fallen out** when they both applied for the same job.

fall out (with)
have a disagreement with someone

Sam wanted his waiters to dress as hot dogs. He **backed down** when they threatened to quit.

back down
withdraw a demand or admit you were wrong

When Pete showed Martin the facts, Martin had to **climb down** and admit he was wrong.

climb down (UK)
admit you are wrong (after some resistance)

Kirsten had been threatening to fire Imran, but she **backed off** when he promised to work harder.

back off
withdraw a threat

Arun and Les **patched things up** after they had an argument.

patch up
sort out your differences and become friends again

I'm sorry I said I didn't like your dress, Katie. I **take it back**.

take back
admit that what you said was wrong

I'm trying to **smooth things over** with Anna, so I bought her some flowers.

smooth over (with)
resolve a problem or disagreement

Craig's parents finally **caved in** and bought him a games console.

cave in
agree to something (after a lot of resistance)

Ed hated Carla's new book, but he **watered down** his opinion when he wrote his review.

water down
make an opinion or proposal less strong

Aa

44.4 MATCH THE DEFINITIONS TO THE CORRECT PHRASAL VERBS

make someone join in an argument against their will

speak out

1 withdraw a threat

take back

2 give your opinion publicly

drag into

3 admit that what you said was wrong

stay out of

4 avoid becoming involved in an argument

base on

5 sort out your differences and become friends again

stick up for

6 use facts or arguments to support your opinion

back off

7 defend someone or something

patch up

44.5 LISTEN TO THE AUDIO, THEN NUMBER THE SENTENCES IN THE ORDER YOU HEAR THEM

A  Anetta is always speaking out about environmental issues.

B  Arun and Les patched things up after they had an argument.

C  Ed hated Carla's new book, but he watered down his opinion in his review.

D  I'm sorry I said I didn't like your dress, Katie. I take it back.

E  Farah makes sure to base all her arguments on facts.

F  The professor weighed in on the debate about the new power station.

Aa

44.6 WRITE THE PHRASAL VERBS FROM THE PANEL UNDER THE CORRECT DEFINITIONS

resolve a problem or disagreement

smooth over (with)

4 defend someone or something

1 withdraw a threat

5 have a disagreement with someone

Aa

45.6 FILL IN THE GAPS, PUTTING THE WORDS IN THE CORRECT ORDER

down settle to

Cory's daughter started to settle down as he sang her a soothing song.

up on checking

① I've been _____ Andrei every day since he lost his job.

up cheered him

② Craig had had a bad day at work, but watching a funny movie _____.

up me cracks

③ Hiro's jokes are hilarious. He really _____.

when brightened up

④ Yana was upset, but she _____ I bought her tickets to a concert.

Aa

45.7 REWRITE THE SENTENCES, CORRECTING THE ERRORS

Whenever I'm upset, I know I can **turn around** my sister.

Whenever I'm upset, I know I can turn to my sister.

① Sophie needs to **lighten down**. She's still studying even though it's her birthday today.

② I really **feel about** Kim. She's been so upset since her cat went missing.

③ Kathy is finally **moving off** after her breakup with Jamal last year.

④ Petra's been sulking for days. I wish she'd **snap in of** it.

46 Negative emotions

46.1 NEGATIVE EMOTIONS

Chris had been **bottling up** his emotions for a long time.

bottle up

feel unable to show your emotions to others

He eventually **broke down** and admitted that he was really upset.

break down

start to cry

Andy **fell apart** when I told him that I was moving to another country.

fall apart

become very emotional, lose control

This song is so moving. It always **sets me off**.

set off

make someone start crying

It really **gets to** me when people leave their trash on the metro.

get to

irritate or upset someone

Tamal and Sam **choked up** when the hero died at the end of the movie.

choke up

become emotional or upset

I'm sick of my neighbors arguing. It's been **getting me down** for months.

get down

make someone feel depressed

Bella **welled up** when Pete asked her to marry him.

well up

have your eyes fill with tears, start to cry

Stop **taking it out on** me. It's not my fault the weather is awful.

take out on

behave in a bad way to someone even though it is not their fault

When Lisa walked onto the stage she **froze up**. She couldn't say anything!

freeze up

suddenly become unable to communicate

47 Making decisions

47.1 MAKING DECISIONS

Lisa found it hard to choose a dress, but eventually **decided on** the red one.

decide on
reach a decision

After a lot of thought, Rob **went for** the fish instead of the steak.

go for
choose

Moving to New Zealand next year **hinges on** us saving enough money.

hinge on
depend completely on something

It's so hard to choose! I'm **leaning toward** the red sports car.

lean toward
be more likely to choose one option than another

Marie didn't know which new job to accept, so she decided to **sleep on** it.

sleep on
wait until the next day before making a decision

Shona regrets her decision to quit, but she's going to have to **live with** it.

live with
accept an unpleasant decision or situation

We loved your plans for the new apartment block. But our decision **came down to** funding.

come down to
depend on one point

After so many failures, Stephen's **banking on** this new recipe to impress his guests.

bank on
depend on

We were sure our café would be a success, but forgot to **factor in** the local competition.

factor in
take into consideration

Can you tell us how you
settled on a winner?

settle on
choose (after thinking about or discussing it)

We **arrived at** our decision
after looking carefully at
each of the paintings.

arrive at
reach, come to a decision

The workers wanted a 5% pay raise,
but eventually **settled for** 3%.

settle for
*agree to something although
it is not what you first wanted*

Yasmin has been **toying with** the
idea of getting her hair cut short,
but has never done it.

toy with
consider, play with an idea

Paula **weighed up** her options before
deciding which camera to buy.

weigh up
*consider positive and negative
things before making a decision*

Somrita has been **mulling over**
which candidate to hire.

mull over
*think about something for some
time before making a decision*

Ahmed's **betting on** it being a hot summer
this year so he's bought
an ice-cream van.

bet on
act on a hope or prediction

We have **narrowed down** our list
of potential homes to
two properties.

narrow down
reduce the number of choices

Sonia **opted out** of the boat trip.
She always gets sea sick.

opt out (of)
choose not to do something

Archie **picked out** the toy he
wanted for his birthday.

pick out
choose carefully from a group

Aa

47.2 CROSS OUT THE INCORRECT WORDS IN EACH SENTENCE

Somrita has been mulling ~~in~~ / ~~over~~ / ~~on~~ which candidate to hire.

1 Sonia opted ~~over~~ / ~~on~~ / ~~out~~ of the boat trip. She always gets sea sick.

2 Yasmin has been toying ~~on~~ / ~~with~~ / ~~to~~ the idea of getting her hair cut short.

3 The workers wanted a 5% pay raise, but settled ~~out~~ / ~~for~~ / ~~in~~ 3%.

4 Shona regrets her decision to quit, but she's going to have to live ~~with~~ / ~~in~~ / ~~on~~ it.

5 After a lot of thought, Rob went ~~on~~ / ~~out~~ / ~~for~~ the fish instead of the steak.

48 Making mistakes

48.1 MAKING MISTAKES

Coralie's graph didn't make sense, so she looked through the data again to see where she'd **slipped up**.

slip up
make a mistake

Wang thought he'd bought everyone a drink until he noticed he'd **missed Ellie out**.

miss out
forget to include someone or something in an activity

When Juan missed the penalty, his teammates **rubbed it in** by laughing at him.

rub in
make someone feel worse about a mistake or failure

I was relying on Selma to bring candles for the cake, but she **let me down**.

let down
fail to meet someone's expectations or fail to keep a promise

The spelling mistake in Juanita's homework **jumped out at me**.

jump out at
be obvious to someone

I'll never **live down** the time I dropped Erin's birthday cake in the middle of her party.

live down
have people forget about an embarrassing mistake you made

Tariq **landed himself in** trouble when he forgot to do his homework.

land in
get into a bad situation

When Chris got home from work, he realized that he had **mixed his bag up with** Simon's.

mix up (with)
accidentally mistake one thing for something else

Enzo went back to the café when he realized he'd **left his wallet behind**.

leave behind
forget to take someone or something with you

I **crossed out** the misspelled word and wrote it again correctly.

cross out
draw a line or lines through a word

48.2 LISTEN TO THE AUDIO, THEN NUMBER THE SENTENCES IN THE ORDER YOU HEAR THEM

- A  Enzo went back to the café when he realized he'd left his wallet behind.
- B  Tariq landed himself in trouble when he forgot to do his homework.
- C  When Juan missed the penalty, his teammates rubbed it in by laughing at him.
- D  I crossed out the misspelled word and wrote it again correctly.
- E  The spelling mistake in Juanita's homework jumped out at me.

Aa

48.3 REWRITE THE SENTENCES, CORRECTING THE ERRORS

Jimish thought he'd bought everyone a drink until he noticed he'd **missed** Ellie **on**.

Jimish thought he'd bought everyone a drink until he noticed he'd missed Ellie out.

- 1 I was relying on Selma to bring candles for the cake, but she **letting** me **down**.

- 2 I'll never **die down** the time I dropped Erin's birthday cake in the middle of her party.

- 3 Coralie's graph didn't make sense, so she looked through the data again to see where she'd **slipping up**.

- 4 When Chris got home from work, he realized that he had **mixed** his bag **up for** Simon's.

- 5 The spelling mistake in Juanita's homework **pounced out at** me.

49.1 ACCIDENTS

Chrissy accidentally **broke** the handle **off** the antique vase.

break off
remove by force

The hairdresser has completely **messed up** Kira's hair. She's furious about it.

mess up
make something untidy or unattractive,
do something incorrectly

The old book **came apart** in the librarian's hands.

come apart
fall to pieces

I **banged into** the door while leaving the house.

bang into
hit someone or something by mistake

The dog **knocked over** the plant pot as it chased the cat.

knock over
hit something and make it fall to the ground

Takira **tripped over** one of her son's toys.

trip over
hit something with your foot and
fall to the ground as a result

49.3 PHRASAL VERBS WITH "FALL"

When Omar **fell over** in the backyard, his dad rushed over to help him.

fall over
fall to the ground from
a standing position

Rodrigo slammed the door so hard that the pictures **fell off** the wall.

fall off
fall to the ground from
a higher point or surface

The old manor house Andrei wants to buy looks as if it's about to **fall down**.

fall down
be in a very bad state, fall to the ground (about a building)

See also:

break off 30 fall apart 46

clogged up

50.1 PROBLEMS AND SOLUTIONS

Sorry, I'll be home late tonight.
Something's **come up**.

come up
happen unexpectedly

Writing your thesis is easier if you **break it down** into small sections.

break down
make something easier to understand
by separating it into smaller parts

The proposals for a new highway have **come up against** a lot of local opposition.

come up against
encounter difficulties

I thought the event was going to be a disaster, but it **turned out** alright.

turn out
happen differently than expected

It was very hard for Somrita and her friends to relax with their final exams **hanging over** them.

hang over
be a source of worry

Owen is great with customers. He **deals with** their complaints fairly, and never loses his temper.

deal with
manage or solve a problem

While climbing the mountain, we had to **contend with** strong winds and heavy rain.

contend with
deal with difficulties
or opposition

Ben and I **cleared up** our disagreement when we realized it was all just a misunderstanding.

clear up
solve a problem, resolve an argument

A number of problems have **cropped up** with the new printer. We need to get someone to fix it.

crop up
happen (often unexpectedly)

Bitna told Danny she was nervous about her presentation, but he just **brushed it aside**.

brush aside
treat a problem as unimportant,
refuse to take it seriously

51.1 SECRETS

Jessica has been **keeping** the name of her new boyfriend **from** me.

keep from
not tell someone something

Paolo has prepared a new sculpture for the exhibition. I've asked him what it is, but he's not **giving** anything **away**!

give away
reveal a secret

I only **cottoned onto** the fact that Lisa and Pete were dating when I saw them at the ice rink together.

cotton on(to) (UK)
begin to understand or realize something

51.2 SURPRISES

We were all eating our dinner when the dog **burst into** the room.

burst in(to)
enter a room or building suddenly

I was **bowed over** when Nadia announced that she had been accepted into dance school.

bowl over
amaze or impress someone

Kamal was **blown away** by Jose's account of his adventures in the Amazon.

blow away
impress very strongly (informal)

Mollie **crept up on** her grandfather while he slept in the garden.

creep up on
approach someone quietly to surprise them

My best friend **sprang it on** me last night that she's moving to Canada.

spring on
announce something without warning

The surprising news was a lot to **take in**.

take in
understand or accept some news or information

See also:

blurt out **36** creep up on **15** give away **55**
keep from **33** slip out **5** take in **6, 55**

My little sister **blurted out** to Dad that we'd organized a surprise party for him. She can't keep a secret.

blurt out

say something suddenly, without thinking about it

I didn't mean to tell the team that it was your birthday. It just **slipped out**.

slip out

say something by mistake

The movie star tried to **hush up** the fact that she had a new boyfriend.

hush up

conceal the truth

Clara can't believe she passed her medical exams. It's going to take a while for it to **sink in**.

sink in

be fully understood

My daughter often pretends to be a dinosaur. We all have to **play along** with her.

play along

pretend something is true or that you believe in something

People have **woken up to** the fact that we need to look after the environment.

wake up to

realize the importance of something

While I was on vacation in Venice, I **bumped into** one of my cousins. I couldn't believe it.

bump into

meet someone without expecting it

I was shopping at the antiques market when I **stumbled upon** a valuable necklace.

stumble upon

find by chance

I was **taken aback** when Tia and Juan told me they were getting married.

take aback

surprise or shock someone

Aa 51.3 MATCH THE BEGINNINGS OF THE SENTENCES TO THE CORRECT ENDINGS

Kamal was blown away by Jose's

that it was your birthday. It just slipped out.

1 I didn't mean to tell the team

that she had been accepted into dance school.

2 The movie star tried to hush up

account of his adventures in the Amazon.

3 Jessica has been keeping

8 said when inviting someone into a room or building = _____

go ahead come on look out come in go away

get out ~~come off it~~ bring it on fire away

R Reference

R1 VERBS AND PARTICLES

A single verb can be followed by different particles or prepositions, which can change the meaning of the verb. In each of these sentences, “break” carries a sense of separation or damage, but the particles change the meaning into something different each time.

Maria and Pablo broke up.

Maria and Pablo ended their relationship.

My car broke down.

My car stopped working.

The handle broke off the vase.

The handle separated from the vase.

Ted broke down and started to cry.

Ted became very emotional and started to cry.

A thief broke into my house.

A thief entered my house illegally.

Gustav broke out of prison.

Gustav escaped from prison.

“Break into” and “break out of”
have opposite meanings.

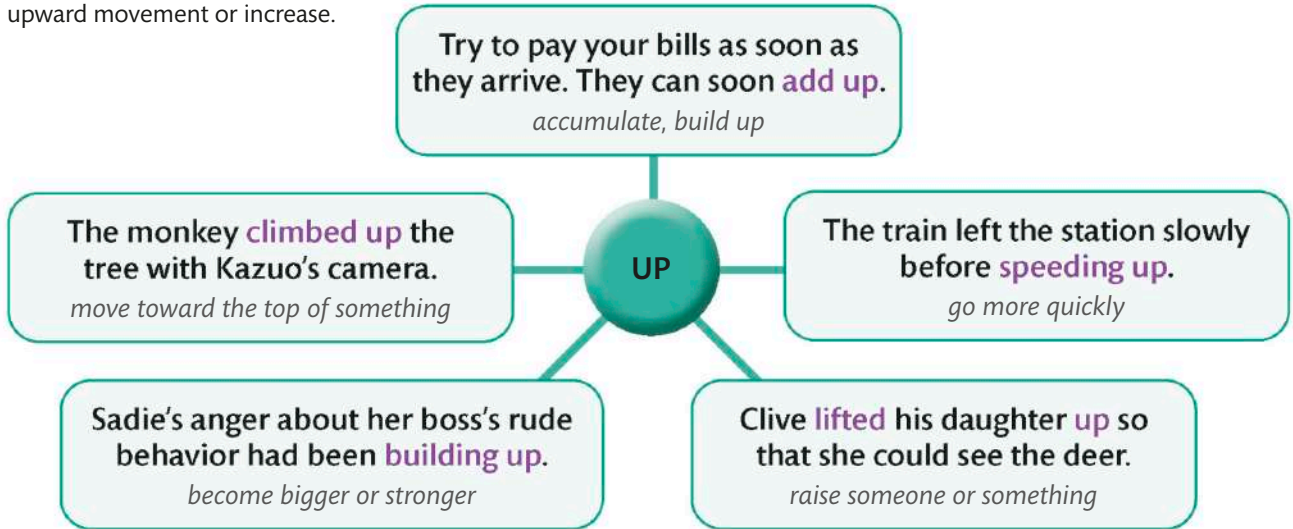

R2 COMMON PARTICLES

Phrasal verb particles often bestow a similar meaning or range of meanings no matter which verb they are used with.

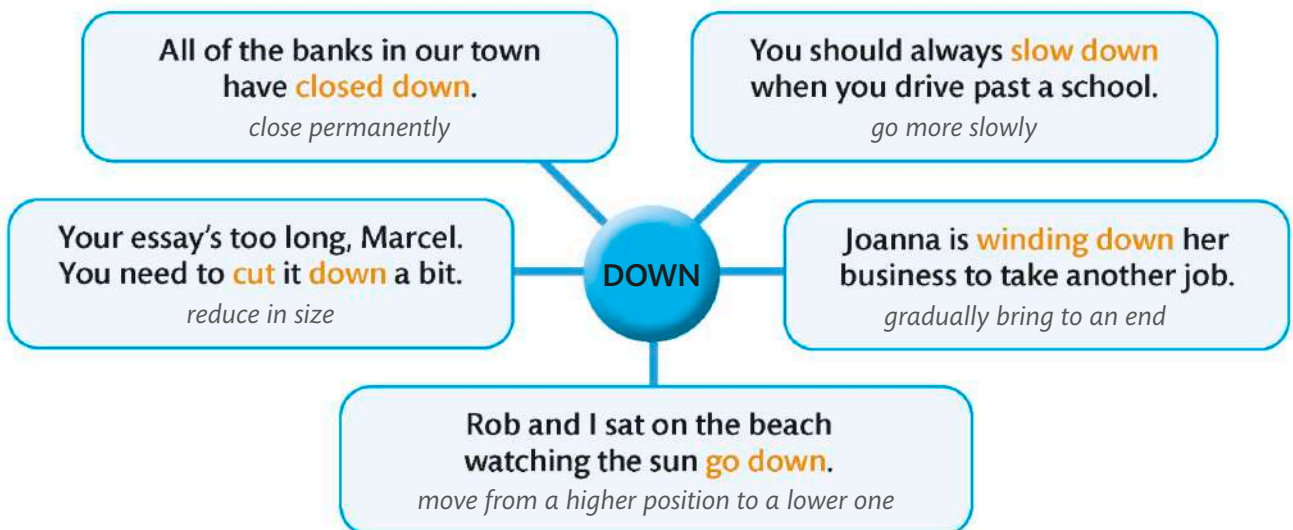

PHRASAL VERBS WITH "UP"

The particle "up" often gives a phrasal verb a meaning of upward movement or increase.

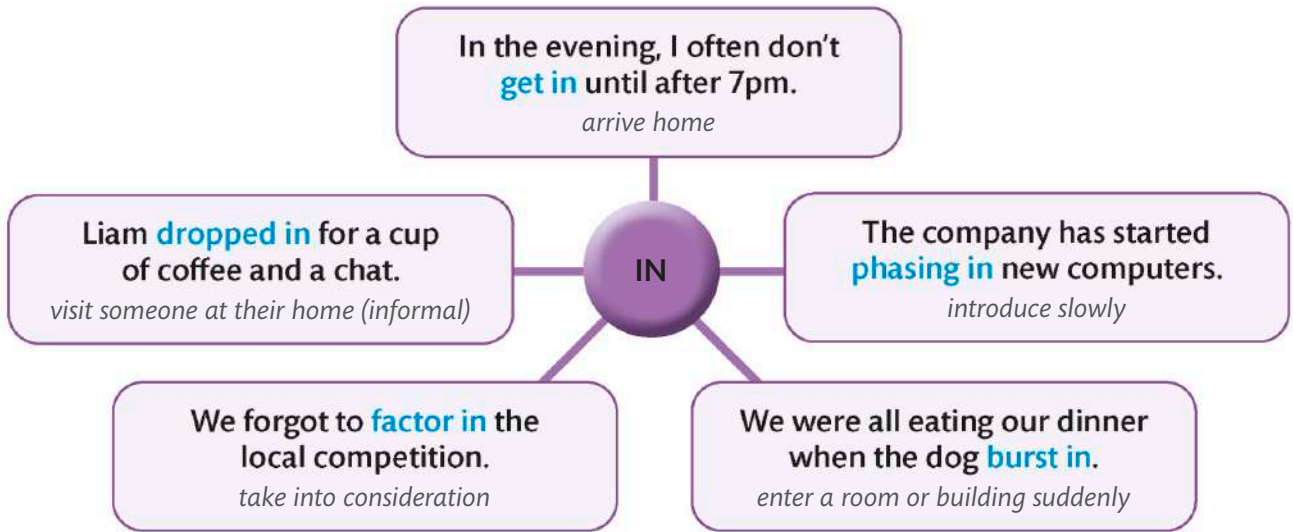

PHRASAL VERBS WITH "DOWN"

The particle "down" often gives a phrasal verb a meaning of downward movement, reduction, or action coming to a stop.

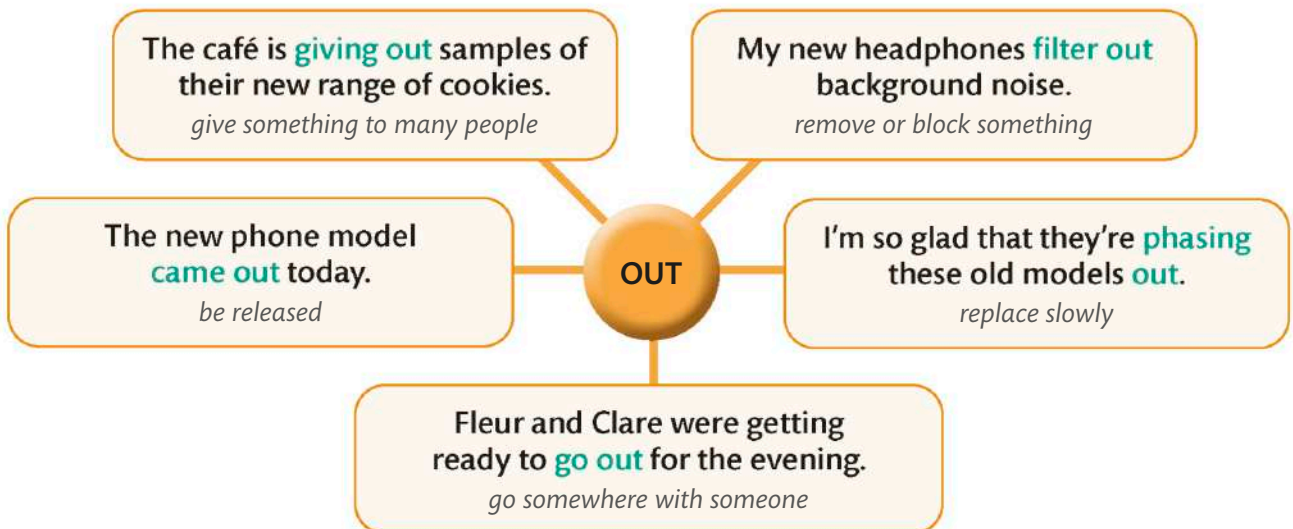

PHRASAL VERBS WITH "IN"

The particle "in" often gives a phrasal verb a meaning of entering or becoming part of something.

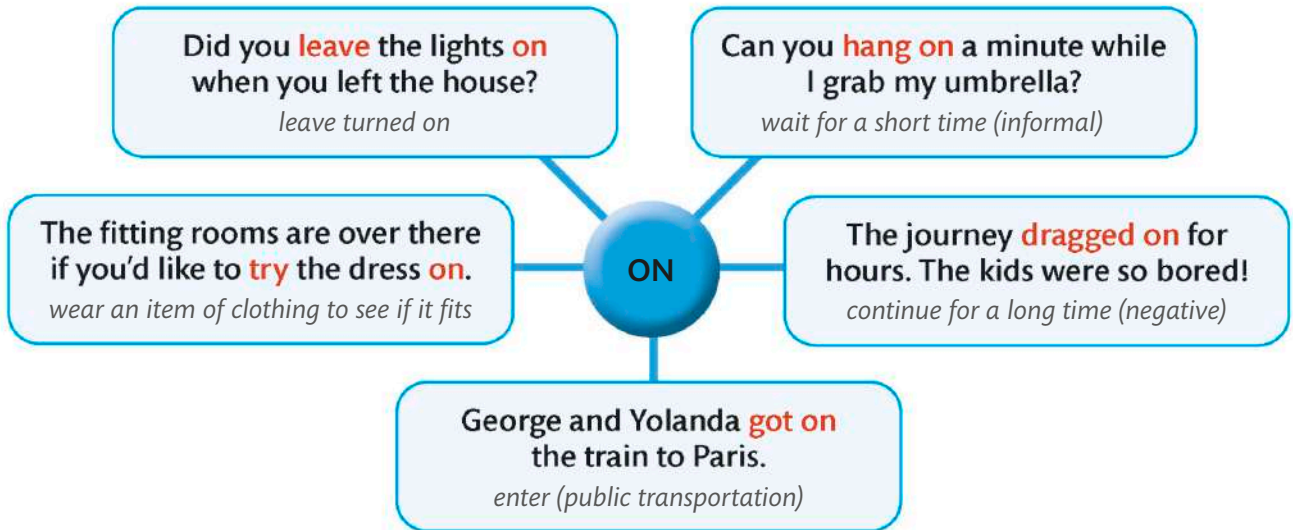

PHRASAL VERBS WITH "OUT"

The particle "out" often gives a phrasal verb a meaning of leaving, being released, or being removed.

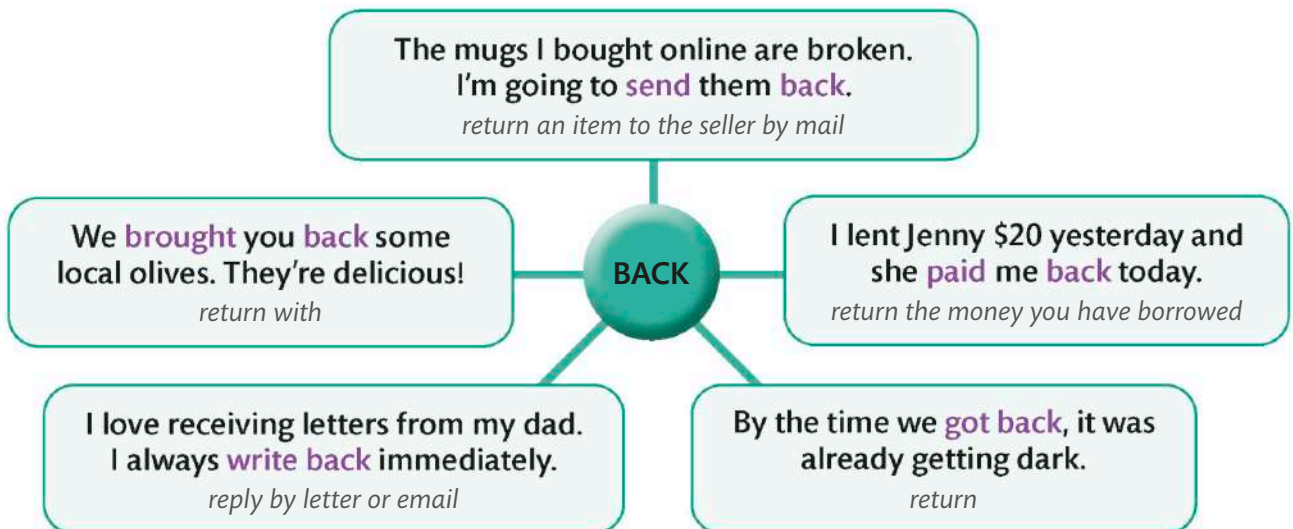

PHRASAL VERBS WITH "ON"

The particle "on" often gives a phrasal verb a meaning of continuation or physically being on something.

PHRASAL VERBS WITH "BACK"

The particle "back" often gives a phrasal verb a meaning of returning or doing something again.

R3 COMMON SEPARABLE PHRASAL VERBS

Some phrasal verbs can be separated by the object of the verb (see page 14). In these cases, the verb is first, then the object, then the particle. This separation can often be optional, unless the object of a separable phrasal verb is a pronoun, in which case it must go between the verb and the particle.

PHRASAL VERB	DEFINITION	SAMPLE SENTENCE
bring around	persuade someone to support your idea	Al's speech brought many people around to her ideas.
call off	cancel an event	Our manager was busy, so she called our meeting off .
chop up	cut into small pieces	Chop the onions up and then fry them for 10 minutes.
